PROF. L. MILLER'S HAIR INVIGORATOR!!
AN EFFECTIVE, SAFE AND ECONOMICAL REMEDY FOR RESTORING GRAY HAIR to its original color without dyeing, and preventing the hair from turning gray. FOR PREVENTING BALDNESS, and curing it, when there is the least particle of vitality or respectability remaining. FOR REMOVING SCALP AND DANDRUFF, and all eruptions of the scalp. FOR BEAUTIFYING THE HAIR, imparting to it an unequalled gloss and brilliancy, making it soft and silky in its texture and causing it to curl readily. The great color and the increasing demand for this unequalled preparation, convince the proprietor that it is only necessary to satisfy a discerning public of its superior qualities over any other preparation at present in use. It cleanses the hair and scalp from dandruff and other eruptions, causes the hair to grow luxuriantly and gives it a rich, glossy flexible appearance, and also where the hair is loosening and thinning, it will give strength and vigor to the roots, and restore the growth to those parts which have become bald, causing it to yield a fresh covering of hair. There are hundreds of Ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations had failed. L. M. has in his possession letters from numerous testifying to the above facts, from persons of the highest respectability. It will effectively prevent the hair from turning gray until the latest period of life, and in cases where the hair has already changed its color, the use of the Invigorator will gradually restore its original color, giving it a rich, glossy appearance. As a perfume for the toilet and a Hair Restorative it is particularly recommended, having an agreeable fragrance and the great facility it affords in dressing the hair, which, when used with the Invigorator can be dressed in any desired style, without the use of any other preparation. It is the great demand for it by the ladies as a standard toilet article, which is not enough to be without, as the price places it within the reach of all, being.

ONLY 25 CENTS
per bottle, to be had at all respectable druggists and perfumers. L. MILLER would call the attention of Parents and Guardians to the use of the Invigorator. In cases where the children are afflicted with the hair, it is a most valuable foundation for a good head of hair, as it removes any impurities, cleanses the scalp, and restores the hair to its natural color, and its removal is necessary both for the health of the child, and the future appearance of his hair.
