EDITORS AND PROPRIETORS.

ALTOONA, PA., THURSDAY, AUGUST 23, 1861.

The house now became the centre of As novelists say, it was a beautiful day in August. The heavens were clear, sc- attraction, and around it he revolved with rene, and beautiful; the trees were laden the speed of thought. Four times in each with golden fruit, and the beautiful birds | revolution, as he turned the corner, his twittered their sweet songs of love in the snakeship came round with a whiz that branches. We were about to say that was quite refreshing. While describing

"carth had yielded her bountiful harvest the third circle, as he came near the party of a year's grass and clover, which the of wonder stricken girls, without remonoble ycomanry of Chesterville had gath- | ving his gaze from the snake, he managed ered within their storehouses," but upon to ery out-"CALL A MAN !"

a second thought have concluded to write | The next moment he had whisked out it thus-"The farmers of Chesterville of sight, and quick as thought re-appeared upon the other side of the house loudly were done haying."

John Jackson's sister had a quilting- reiterating-"CALL A MAN!" party that afternoon; his father had gone Away he whirled again, turning the to get some wheat ground, and John was corner so rapidly that the whiz of the left to repair some tools to be ready on snake sounded about half-way between a the morrow to commence mowing the low whistle and the repeated pronunciameadow grass. Suddenly it occurred to tion of double o. And before either of John that if he remained about the house the girls had stirred from her tracks, he in the afternoon, he would be called in at had performed another revolution, still tea-time, and be required to do the honors | wildly entreating-"CALL A MAN!" of the table. To avoid this he quietly Away he flew once more, but his strength shouldered his scythe and stole away to was rapidly failing. Nancy Clark was the the meadow, half a mile distant, fully re- | first to recover her presence of mind, and solved that he would not leave there until | seizing a hoop, she took her station near it was so dark that he could not see to the corner of the house, and as John remow at all, and thus avoid seeing the appeared she brought it down upon the girls. The meadow was surrounded on snake with a force that broke its back all sides by a thick forest, which effectu- and its hold upon John's garment at the ally shut out what little breeze there might | same time.

chance to be stirring. The sun poured its | John rushed into the house, and to his room, and at tea-time re-appeared in his rays as though the little meadow was the focus point where the heat was concen- best Sunday suit, looking but little the trated John mowed and sweat-sweat worse for the race, and to all appearances and mowed, until he was obliged to sit entirely cured of bashfulness. That night down and cool off. Then it occurred to he walked home with Nancy Clark. The John that if he took off his pants he next New Year's Day they were married; might be more comfortable. There would and now, whenever John is inclined to be no impropriety in it, for he was en- laugh at his wife's hoops, she has only to tirely concealed from observation, and say, "CALL A MAN," when he instantly there was not the slightest reason to sup- sobers down.

pose that he could be seen by any person. So John stripped off, and with no covering save his linen-commonly called a shirt—he resumed his work. He was just congratulating himself on the good reside in the thinly settled tracts of the times he was having, when he chanced to disturb a huge black snake, a genuine twister, with a white ring around his neck. John was no coward, but he was mortally forests, and in this situation they often afraid of snakes. "Self-preservation" was the first "passage" that flashed upon his mind; "legs, take care of the body," was the next. Dropping his scythe, and spinning around like a top, he was ready to his attention was arrested by the agitation strike a 2.40 gait, when at that moment, they exhibited. He quickly perceived a his snakeship was near enough to hook his crooked teeth in John's shirt, just herd, and that the hogs were arranged

above the hem. With one tremendous

spring, he started off with the speed of

a locomotive. His first jump took the

snake clear from the ground, and as John

stole a hasty glance over his shoulder, he

was horrified to find the reptile securely

fastened to the extremity of his garment,

while the speed with which he rushed

forward kept the serpent at an angle of

ninety degrees with his body. Here was

a quandary. If he stopped, the snake

would coil about his body and squeeze

him to death; if he continued the race,

he must soon fall from sheer exhaustion.

On he flew, scarce daring to think how

his dreadful race was to end. Instinct-

ively he had taken the direction of home,

and as he emerged from the forest, a feel-

ing of security came over him. Suddenly

flashed across his mind the true state of

affairs-his father gone-the quilting-

In December, 17-, toward the close of dreary day, a woman with an infant were discovered half buried in the snow, by a little Virginian seven years old. The promising lad was returning from chool, and hearing the moans of some one in distress, threw down his satchel of

A NOBLE YOUTH.

books, and repaired to the spot whence the sound proceeded, with a firmnoss bemother, and using means to awaken her to a sense of her deplorable condition, upon her feet; the infant, nestling on its mother's breast, turned its eyes towards their youthful preserver, and smiled, as it seemed, in gratitude for its preservation. With a countenance filled with hope, the gallant youth cheered the sufferer on, himself, bearing within his tiny her little conductor. " My home is hard did he cheer onward to a happy haven the wise must have perished, had it not been

of this noble youth. A warm fire and kind attention soon relieved the sufferer, who, it appeared, was in search of her husband, an emigrant from New Hampshire, a recent purchaser of a farm in the neighborhood of _____, near this place. Diligent inquiry for several days found him, and in five months after, the identical house in STRATEGY OF WILD HOGS .- The fol lowing appeared in Silliman's Journal received the happy family. in 1822 : "It is common for farmers, who

The child grew up to manhood, and entered the army. He lost a limb at New United States, to suffer their hogs to run at large. These animals feed upon acorns solace to the declining years of his aged men not having any ammunition. which are very abundant in our extensive parents.

"Where are they now?" I asked the harrator.

become wild and ferocious. A gentleman, "Here!" exclaimed the son. "I am while travelling some years ago, through the wilds of Vermont, perceived at a little the rescued one; there is my mother; and distance before him, a herd of swine, and here, imprinted on my naked arm, is the name of the noble youth-our preserver !' I looked and read "WINFIELD SCOTT,

now Lieutenant-General of the United

THE RIOT AMONG SOUTHERN SOL-DIERS .--- It has already been mentioned The following anecdote was related to a that a serious riot occurred last week at gentleman during a night he spent in a Grand Junction, Tenn., among the companies of a Louisiana regiment. A corfarm-house in Virginia, some years ago: respondent of the Memphis Appeal gives the subjoined particulars of the affair : About six o'clock in the evening, after

imbibing pretty freely of "bust-head," a row was commenced between the Frank Guards and some of the other companies, which resulted in a general fight of about one hour's duration, during which Major York and the Colonel, aided by some of coming one of riper years. Raking the the other officers, used every peaceable snow from the benumbed body of the means to quell it, but all to no avail. It seemed to be growing general, when some of the men took shelter in the Percey the noble youth succeeded in getting her | Hotel, the doors of which were immediately assailed with the butts of muskets. axes and whatever else could be found to answer the purpose of a battering ram.---They soon succeeded in smashing in all the doors, blinds and sash, when they rushed in like a mob of infuriated devils, and commenced an indiscriminate destrucarms the infant child, while the mother tion of the hotel furniture and everything leaned for support upon the shoulder of they could lay their hands on. Drawers were torn open, the contents were desby," he would exclaim, as often as her troyed, the furniture was broken and spirits failed. And thus for three miles pitched out, the dining room table was thrown over, and all the table furniture mother and child, both of whom other- broken, the chairs smashed to pieces, and such a general wreck you have never witfor the humane feeling and perseverance nessed in a civilized community.

About this time, the efforts of the officers of the day and the guard proving unavailing to quell the mob, the officers, led by their colonel commenced firing on them, which resulted in the death of two upon the spot and the mortally wounding of five or six others and some six more dangerously wounded. There were fourteen killed and seriously wounded, besides which we are now sitting was erected, and a large number of others that left on the train that were slightly wounded. The majority of the wounds were from pistol shots, some were bayonet wounds and bro-Orleans, but returned to end his days, a ken heads from the clubbed muskets, the

The hotel looks like a hospital after a hard fought battle. The dead and wounded are strewn all over the second floor, and the groans of the suffering are terrible .---After destroying the furniture and breaking all that they could in the house, two unsuccessful attempts were made to fire it.

SURPRISED.-A Minnesota paper tells this story of the battle of Stone Bridge: "Adjutant-General Sanborn relates that when the Minnesota regiment was drawn up in line of battle opposite to the Mississippi regiment, the wagon-master of the Minnesota regiment, our old friend, Anson Northup, was in the ranks, musket in hand. The regiment, practising the Zouave drill, in which Northup is not very proficient, fell flat on the ground-"every man killed !" thought Northup; but, resolved to have another crack at the rebels, Northup re-loaded his musket, and just after he fired, up jumped his comrades and fired another round, as much to Northup's surprise, he said, as if so many dead men had come out of their graves.' ____ WHAT "RIP-RAPS" MEAN .--- In engineering, a "rip-rap" is a foundation obtained by throwing stones together in a heap, without any order, on the soft bottom. The fort or battery on the channel, No HOPE FOR PRINTERS .--- When Dr between Fortress Monroe and Sewell's Point, is constructed on such artificial foundation, and is therefore styled the 'Rip-Rap." The fortification was begun about twenty years ago. Loose blocks of granite were piled up to the height of twenty or thirty feet, and permitted to remain for several years, for the purpose of settling the foundation. The blocks would depend for his support upon the were taken down to within a few feet of the water line a year ago, and nothing more has been done to the fortification since.

Administrators and Executors Notices.

There's a voice on the wind like a spirit's low cry-

Whose hands clutch the sword-hilt so grimly.

There is no mock blazon, as clay sinks to clay ;

The vain pomps of the peace time are all swept away in the terrible face of the dread hattle-day, No coffins or shrouds are here; Only relies that lay where thickest the fray-

A rent casque and a headless spear. Far away, trainp on tramp; peals the march of the foe,

Like a storm-wave's retreating, spent, fitful and slow, With sound like their spirits that faint as they go By you red-glowing river whose waters Shall darken with sorrow the land where they flow

They are fled-they are gone; but, oh! not as they came, In the pride of those number they asked on the game, Never more shall they stand in the vanguard of fame, Never lift the stained sword which they drew; Never more shall they beast of a glorious name, Where the wreck of our legions lay stranded and lorn, They stole on our ranks in the mists of the morn; Like the giant of Gaza their strength it was shorn From the flash of our steel a new day-break seemed born

> > "You may have taken the oath," answored the New Yorker, "but the horse has not, and I shall keep him till be does." There was no replying to this, and the Zouave keeps the horse.

A good joke is told of one of the new recruits at the army at Barnacas .--Col. Forney visited the Fort, and on his appearing before the sentinel was chalenged :

"Who comes there?

"Inspecter General," was the reply of Forney.

"Don't care a cuss whether you are a respectable gentleman or not. Can't come in here."

SMART SCHOLAR .- Did you ever see au Elephant skin? asked a teacher in an infant school in a fast neighborhood. 'I have ?' shouted a six year old at the

foot of the class. 'Where?' inquired the teacher, consid-

erably amused at his earnestness. 'On the clephant,' shouted the prodigy, gleefully.

A rural poet, in describing his ladylove, says : She is as graceful as a water lily, while her breath is like an armfull of clover. His fate is evidently approaching a crisig.

Fun is worth more than physic, and whoever discovers a new source of supply deserves the name of a public beucfactor.

ling soldiers.

"I have taken the oath of allegiance,"

said he, "and the horse is mine."
