PROF. L. MILLER'S

HAIR INVIGORATOR!!!

AN EFFECTIVE, SAFE AND ECO-

NOMICAL COMPOUND.

FOR RESTORING GRAY HAIR to its original color

without dyeing, and preventing the hair from turning

gray. It is the best and most reliable of any remedy

yet discovered for preventing baldness, and curing it, when

it is the result of the loss of vitality, or of any other

cause. It is also a valuable remedy for itching scalp,

and for all other diseases of the scalp.

FOR BEAUTIFYING THE HAIR, imparting to it an un-

equalled gloss and brilliancy, making it soft and silky in

texture and causing it to curl readily.

It is especially adapted to the increasing demand for this

unparalleled preparation, because the proprietor has

found it only necessary to satisfy a discriminating public of its

superior qualities over any other preparation present in

the market. It cleanses the head and scalp from dandruff and

other cutaneous diseases, causes the hair to grow luxuriantly

and gives it a rich, soft, glossy and healthy appearance,

and also where the hair is loosening and thinning, it will

give strength and vigor to the roots, and restore the growth

to those parts which have become bald, causing it to yield

a fresh covering of hair.

There are hundreds of ladies and gentlemen in New

York who have had their hair restored by the use of this

invigorator, when all other preparations had failed. L. M.

has in his possession letters from hundreds of ladies and

gentlemen, from persons of the highest respectability, testifying to the

beneficial effects of the use of the Invigorator. It is the best

preparation for restoring the hair to its original color, giving it a dark,

glossy appearance. As a perfume for the toilet and a hair

restorative it is particularly recommended, having an

agreeable fragrance, and the great facilities it affords in

restoring the hair, when used as a standard for the hair, can

be dressed in any required form, as to preserve its

place, whether plain or in curls—hence the great demand

for it by the ladies of every class, who use it with the

most confidence, as the price places it within the reach

of all, both male and female.

Price, only 25 CENTS

per bottle, to be had at all respectable druggists and perfumers.

MILLER would call the attention of Parents and

Guardians to the use of the Invigorator, in cases where the

children's hair inclines to be weak. The use of it lays the

foundation for a healthy and beautiful hair, and it is the

best of all for the hair of the young. It is the best
