### PROF. L. MILLER'S HAIR INVIGORATOR!!!

AN EFFECTIVE, SAFE AND ECONOMICAL REMEDY FOR RESTORING COARSE, UNDESIRABLE HAIR to the original color, preventing baldness, and curing it when there is the least particle of vitality or recuperative power remaining.

FOR REMOVING SCALP AND DANDRUFF, and all eruptions of the scalp.

FOR BEAUTIFYING THE HAIR, imparting to it an unequalled gloss and brilliancy, making it soft and silky in its texture and causing it to curl readily.

There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations had failed. L. M. has in his possession the most remarkable evidence of its efficacy, which he is anxious to show to all who will give it a trial. It is only necessary to satisfy a discriminating public of its superior qualities over any other preparation at present in use. It causes the hair to grow from the scalp, and not from the roots, as is the case with the hair of the balding man. It gives strength and vigor to the hair, and restores the growth to those parts which have become bald, causing it to yield a fresh covering of hair.
