iceling of chilliness, and coldness of the feet and knoes, and along the inside of the thighs—source of biter eructa-tions, and sometimes a spitting or throwing up of the food after eating. There is a feeling of oppression across the stomach and cheat, as if preased down by a weight; troublecome and often frightful dreams, low spirits, languor, want of ener-gy, melancholy restlessness and a great deal of trouble, and a disposition to magnify everything, sometimes great watchful mess and an inability to sleep—at others great drowsines, weariness, and disinclination to motion. AT TIMES THE FACE is flushed, with more or lees force, repecially at hight or in the afternoon. Sometimes to out colics, and wandering pains in various parts of the body. Frequently there is a short backing coefficient of a slope of the thoot, and sometimes a very severe, dry, and hard cough, which is often mistaken for consumption. This cough often commences in the latter part of the inflat or early in the morning, and lasts for hours, frequently producing nauses and vomiting. If there be any expector-ration, it is a tough, ropy, tenacieus pilegmi, which as heres to everything it touches. There are also frequently ward on the lungs, produce constriction, and cough, and by chonic pleurity paties in various parts of the chest, which shift about from one part of the breat or if de to the sometimes abscesses form in the Hive; dud preasing up-ward on the lungs, produce constriction, and cough, and by traking, discharge their contents bito the lungs, wateset it must be ejected by expectorofied, or the patient is de-storyed. Some persons were troubled with spansmotio twitches in various parts of the body, sometimes functes and sighing, difficulty of breathing; reading or talking producing wearinces. THERE 18 A BEATING SENSA-TION near the pit of the stomach, with selfwith and futtering of the heart; profusioer of dandruff and loss of the hear; indeed, to sum up in a fow words—a spiloty, dirty, greasy appearance of the skin, a yellow or grees past three years, some of whom have been employed as Book Keepers at salaries of immediately upon graduating, who knew nothing of ac-counts when they entered the College.
