Down from their Northern shores, Loud as Niagara pours, They march and their tread wakes the earth w Under the Stripes and Stars, Each with the soul of Mars. Grasping the bolts of the thunders of War!

Shall shelter no foe except in his grave! While the Gulf billow breaks, Echaing the Northern lakes, And ocean replies unto ocean afar, Vield we no inch of land, While there's a patriot hand Grasping the bolts of the thunders of War!
