We regret to announce the death of Brig. Genand on the hill side, in the valley and along the eral Wm. H. Keim, which occurred at the Brady harbor or trust her on my account as I am determined to winding road, the grass is growing brighter in its Honse in this city about 1 o'clock vesterday afterpay no debts of her contracting, after this date, unless noon, after several days' illness of typhoid fever. Gen. Keim was identified with the military affairs of the State for the last twenty years, and at the commencement of the rebellion held the commisat J. & J. Lowther's appear the happiest of their sion of Major General of the Fifth Division Pennsylvania Militia, as well as the office of Surveyor General of the State. When a call was made by the President for volunteers, he was among the first to offer his services, and issued a general orried selection of ladies dress goods that was brought der to his Division to hold itself in readiness for immediate service. He served with distinction as Major General of volunteers in the "three months' campaign," by virtue of the commission he held from the State, and at the expiration of that their stock. As an evidence of the superiority of term of service, after a few months' recuperation with his family and friends at home, he was honored with a commission as Brigadier General of volunteers. Having accepted the appointment, he resigned the office of Surveyor General, and was assigned to the command of a brigade in Gen. N'-Dowell's army, in which position he served with much credit until a short time ago, when he was attacked with the illness which terminated in his death as above stated. His remains were taken to Reading for interment.-Harrisburg Telegraph, 17th inst.

More About the Merrimac.

"ITS AN ILL WIND THAT BLOWS NOBODY The armament of the Merrimac, says a deserted officer, consisted of twelve guns-two seven inch rified pivot guns, fore and aft, each working out of certainly reaping a rich harvest. Their enterprise three port holes: four nine inch smooth bore guns. Dahlgren pattern: four six inch rifle guns, and two vis meritorious. We cannot tell you all that Harboat howitzers, twelve pounders, both on her upper per and Leslie contains this week, you must buy deck, fore and art to repel boarders. Com. Tatnall made a speech to the crew, who had been mustered on deck, after a boat from Norfolk had them to find out. They are well worth the price. reached the vessel, bringing the news of the occu-MEADOW LAND.
