ORGANIC WEAKNESS

Immediately Cured, and full Vigor Restored.

This Distressing Affection—which renders life miserable
and marriage impossible—is the penalty paid by the
victims of improper indulgences. Young persons are to
apt to commit excesses from not being awars of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of
procreation is lost sooner by those failing into improper
habits than hy the prudent? Besides being deprived the
plessures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The
system becomes Deranged, the Physical and Mental Functions Weakened, Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the Heart, Indigestion,
Constitutional Debility, a Wasting of the Frame, Cough

MENTALLY.—The fearful effects of the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of spirits, Evil-Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emaciated, having a singular appearance about the eyes, cough and symptoms of consumerion.

grimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy redection that the happiness of another becomes blighted with our own.

Disease of the prospect of the property of pleasure finds that he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as alcerated over throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes horrid object of commiseration, till death puts a period to his dreadful sufferings, by sending him to "that Undiscovered Country from whence no traveller returns."

It is a melencholy fact that thousands fall victims to this terrible disease, owing to the unskillfulness of ignorant presenders, who, by the use of that Deadly Poson, Mercury, ruin the constitution and make the residue of life miserable.

Trust not your lives, or health to the care of the many Unlearned and Worthless Pretenders, destitute of knowledge, name or character, who copy Dr. Johnston's advertisements, or style themselves, in the newspapers, regularly Educated Physicians, incapable of Curing, they keep you triffing month after month, taking their fifthy and polsonous compounds, or as long as the smallest fee can be obtained, and in despair, leave you with ruined health to sigh over your galling disappointment.

Dr. Johnston is the only Physician advertising.
His credential or diplomas always hang in his office.
His remediate or treatment are unknown to all others prepared from a life spout in the great hospitals of Europe the first in the country and a more extensive Private Practical in the world.

The many thousands cured at this isstitution, year after year, and the numerous important Surgical operation performed by Johnston, witnessed by the reporters of the Sun," Clipper," and many other papers, notices of which have appeared again and again before the public besides his standing as a gentlemen of character and responsibility, is a sufficient guarantee to the afflicted.

DR. JOHNSON,

Member of the Royal College of Surgeons, Londou, Graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of Lendon, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cure that were ever known; many troubled with ringing in the head and ears when asleep, great nervounness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured themselves by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for either business study, society or marriaged.

both body and mind, unfitting them for either pushiess-study, society or marriage.

THERE are some of the sad and melancholy effects pro-luced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dinness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dys-pays, Nervous Irritability, Derangement of the Diges-tive Panctions, General Debility, Symptoms of Consump-

evil companions, or at school, the effects of which are
nightly felt, even when asleep, and if not cured renders
marriage imposible, and destroys both mind and body,
should apply immediately.

What a pity that a young man, the hope of his country,
the darling of his parents, should be snatched from all
prospects and enjoyments of life, by the consequence of
deviating from the path of nature, and indulging in a
certain secret habit. Such persons musz, before contemplating
