PROMOTED. We are pleased to record that Capt. Jacob Szink, of this place, has been pronoted to the Lieut. Coloneley of the 125th Regiment. He was deserving of the appointment, having been among the first to recruit a company for the three months service, and also for the last call for 300,000 men, and because of his being a thoroughly drilled officer. He will reflect honor upon himself and the county from which he hails. His appointment left his company without a captain, whereupon it made a unanimous call for C. R. Hostetier, of this place, who at once accepted the position and left on Saturday last, to take charge of the company. A better selection could scarce-

have to announce that Lieut. John M. Clark, connected with Capt. Seymour's Battery of the 5th U. S. Artillery, attached to Gen. McCall's division, has been promoted to a captaincy for meritorious services in the last eagagement before Richmond. It will be remembered that Gen. McCall's division sustained the first and heaviest charge of the rebels in that engagement, and that votes than Martinsburg and Woodberry, and exthe artillery fight was at close quarters, yet strange cels them equally in amount of tax, yet they now Clark was connected was in the thickest of the fight, it lost none in killed and had but one man wounded. Capt Clark's promotion being in the regular army, will of course be for life, or during good behavior, with a fair prospect of still higher

SEVENTH COMPANY FROM BLAIR.—On Friday norning last, Capt. McFarlane's company, from Hollidaysburg, passed down to Harrisburg, making the seventh company from "Little Blair" under the late calls for 600,000 men, being at least two companies over her quota under both calls.-We learn from those who have been at Harrisburg. that the prompt and patriotic response of this county is known to all there assembled, and that cheer after cheer is given her, and praise awarded her on all hands. She is what has been claimed for her, the "bauner county" of the State. The "gallant three hundred" of the Eighty-fourth, who won imperishable laurels at the battle of Winchester, were nearly all from this county, and the men just sent into the field are of the same material and will perform equal deeds of valor should opportunity offer.

Our neighbor of the Standard, takes off our cotemporaries, in surrounding counties, in the right style, for claiming that "Little Blair" had filled up some of her companies from those counties. If we are not mistaken, several companies set down as being from Huntingdon county, recruited while the camp of instruction was located at Huntingdon, contained quite a number of men from this county. It would hardly pay our cotemporaries to go back a year, or fourteen months, and count noses in this matter. Take the enlistments, since the opening of the rebellion, and it will be found that the different counties have about held their own, so far as drawing from each other is concerned. We hope our friends do not envy Blair on the drafting question.

ONE HUNDRED AND TWENTY-FIFTH REGI-MENT.—The 125th Regiment is composed of six companies from Blair county, and four from Huntingdon county. The field officers are: -

Colonel-Jacob Higgins, of Blair. Lieut. Colonel-Jacob Szink, of Blair. Major-John J. Lawrence, of Huntingdon. Adjutant-R. M. Johnson.

The companies from this county are under the command of Capts, Hostetter and Gardner, of Altoona, McKeage, of Hollidaysburg, Bell, of Tyrone, Hewitt, of Williamsburg, and McGraw, of Newry. The company left on Saturday evening last for Washington.

Let no one suppose that because we have not noticed Oak Hall, for a couple of weeks past, that it is non est. The fact is the proprietor is kept so busy dealing out daily newspapers, (of which he receives a great variety) pictorial weeklies and monthlies, novelettes, song books, school books, toys, confectioneries, musical instruments and many other beautiful, useful and ornamental articles, that he only visits us about once a month.-Oak Hall is a success, and the proprietor a clever to call and view the concern and help carry away

Missing.—We learn that Mrs. Lieut John S. Campbell, (formerly Miss McCormick) of this place, has received a letter from the Major of the vision, stating that Lieut. Campbell has been missing since the fight on the 8th inst. Gen. Sigel's division took an active part in that engagement and suffered severely. The name of Lieut. Campbell does not appear among the names of the prisoners taken by the rebels, or the list of killed and wounded, and we have therefore reason to hope that he will yet turn up safe and sound.

Altoona and Logan polls two-thirds more have the best office in the county and are on the ticket for two more. J. G. Adlum is the man who should have received the nomination for Assembly, and we hope, and believe that he will be supported by the people for that office. If there is any gain in being elected to the office, he is deserving of it. He is a man of small means, with a large family to support—is a man of industry spends no idle time—a man of sober habits and strict economy; a man of business habits and short speeches—just the kind of a man the people want-and we intend to run him as our candidate, on this side, whether he come out as an "indepen-

To THE PUBLIC!—An experience of six months has fully convinced me that the CASH SYSTEM is the best, both for merchant and consumer. It enables the merchant to sell at ONE-HALF LESS PROFIT and make more clear money, with less trouble than fellow, and everybody and their friends are invited he can by selling on credit; and the reason is obvious-he gets the money down for everything he wants to sell, and has the use of it immediately.-The consumer also saves by buying for cash, because he gets his merchandise at from 25 to 50 per cent. below what he would have to pay if he bought on credit, or even if he bought at a store which sells on credit. The credit business always loses a her word and published a falsehood. We stated certain per centage, which must be made up from

HUYETT & PRIDLEY'S PATENT. These Cans and Jars, being perfectly simple in their arrangement, and requiring no coment or solder to make them Air-Tight, are the most reliable and convenient vessels for preserving fruits and vegetables of all kinds, that are in the market. THEY POSSESS THE FOLLOWING ADVANTAGES:

and the contents taken out in overlatting the case of adjustment, and impossibility of stoppers blowing out, they show at all times the exact condition of the fruit, by simply looking at the top of the cover; if the gum is concave the fruit is good; if convex, the fruit is good; itself is time to be saved.

ISLA All that is required after the fruit has been put in hot, is simply to sorew the top down tightly.

2d. They can be opened by a single turn of the cover, and the contents taken out in one-fourth the time required by other cans.

Directions. Heat the Jars or pace as from spoon in them while filling, which will avoid cracking. After the Jars are full take out the spoon or iron, and screw down the cap tight. Care should be taken to replace the same covers on the same Jars from which they were taken.

To restore the guns that have been used, to their original shape, put them in hot water for one hour.
