The critics and the public are right in predicting that this will surpass, in graphic narrative, exciting interest, and extensive popularity, all other histories of the War for the Union. It will contain, in addition to its stirring details, the philosophical Analysis of the causes of the War by JOHN LOTHROP MOTLEY, L. L. D., Author of "The Rise of the Dutch Republic," etc., the dates of all the important events from the John Brown raid, and an accurate and revised account of the principal battles, with engravings.

JACOB SNYDER, TAILOR,

The Hero of One Hundred Fits per Month!

I would respectfully set forth my claim to public attention, as a Fashionable Tailor as follows:

Because I keep an excellent assortment of Cloths, Cassimeres, Vestings and Trimmings, which, when examined, always please.

Because my work is made up in a manner that takes down the country and gives all my customers a city appearance.

Because I am not inferior as a Cutter to the best to be found anywhere.

Because long experience in my business gives me entire control over it, and I am not dependant upon any one to lift me out of the suds.

Because I am still on the sunny side of forty, and therefore my taste as a Cutter and workman unimpaired.

Call on me, in the corner room of the "Brant House," Give me a trial and you will go away pleased.

Altoona, May 26-3m JACOB SNYDER.
