ORELITE BASE.-Having pur chased the right to manufacture the CORELITE BASE for ARTIFICIAL TEETH, I am now prepared to put up dentures on this new and beautiful principle, which is far superior to the old style, on silver plate, it will not corrode or discolor. It contains no metalic substance, and of course there is no galvanic action, whereby metal plates often become obnoxious. Persons wishing a fine set of teeth will please call and examine specimens.
