Total	$14,158 22
Amount Received from Treasury.

Common Schools	2,524 40
Total	$2,564 40

Showing an excess of amount paid into the Treasury over the amount received therefrom, of $11,593 82.

We find, also, that Messrs. Woods & McClain, of this place, received $31 25 for boarding troops. Mr. W. B. Smith, Mercantile Appraiser in 1862, $6 16, and Thaddeus Banks, $90 00 commission on money collected from A. P. Wilson, Attorney for Commonwealth, in the case of Alexander Dennis, former collector of tolls at Hollidaysburg. There may have been other recipients in this county, of money out of the State Treasury, whose names we do not know.

REVISED ORGANIZATION.—On the first of February the revised organization for the management of the business of the Penn'a Rail Road into into effect. The road has been divided into three grand divisions, viz:—Philadelphia Division, from Philadelphia to Harrisburg, A. C. Franciscus, Supt., office at West Philadelphia: Middle Division from Harrisburg to Altoona, Samuel D. Young, Supt., office at Harrisburg: Pittsburgh Division, from Altoona to Pittsburgh, Andrew Carnegie, Supt., office at Pittsburgh. The engineer and Maintainance of Way department remain as heretofore, viz: W. H. Wilson, Chief Engineer, assisted by the following Resident Engineers: J. C. Sharpless, Phila. Div., Jas. H. Wilson, Middle Div., J. S. Love, Pittsburgh Div. R. Pitcairns, heretofore Supt. of Middle Div., has been appointed Superintendent Transportation. He will aid the General Superintendent and act for him in his absence, sickness or other disability. The train men, station agents and shop employees of the different divisions are under the charge of the Superintendent thereof, except Altoona shops, which are under the charge of John P. Laird, Sup't. of Motive Power and Machinery. The which are under the charge of the Supt. of Transportation.

The organization of the Penn'a R. R. Co., is now as nearly perfect as human wisdom can devise, and its affairs are managed in a manner which makes it an example. Though envy may occasionally stimulate the friends of rival roads to speak disparagingly of the P. R. R., yet impartial correspondents always accord to it superior accommodations, safety and speed.

THE COURT HOUSE.—Blair County has now a Court Room of which her citizens may well feel proud. It is frescoed in elegant style, and is the equal to any similar room in the State, not excepting the cities. We will not attempt a full description of the ornamental work, other than to say that the figure of justice in the rear of the Judges seat is admirable executed, as is also the coat of arms of the State, over the entrance. The columns around the room are faultless in color and shadowing. The hall, on the ground floor, and two different offices, have also been repaired and papered, and wear an air of comfort and neatness. The outside of the building is still an eyesore, but we learn that the Commissioners intend to have that part painted and fixed up in style next spring. Would there be no more improvements made to the House, what has been already made would be a lasting credit to the Board of Commissioners under whose supervision the county funds were so judiciously expended.

BE INSURED.—The arguments in favor of insuring property against fire, are so numerous, and have been so frequently published, that we deem it almost useless to repeat them. One thing is certain, no one loses any thing by having his or her property insured, be it buildings, merchandise or furniture. There are a number of agents in this place, representing good companies, and we have also a home company, the Protection Mutual Fire Insurance Company of Blair County, which has never failed to make good all losses sustained by its insured, and which is now in a very healthy condition. D. T. Caldwell, late agent, having removed from town, E. B. McCrum has been appointed in his stead. The new agent will take pleasure, at alltimes, in filling up applications for policies in the above named company. Office in the *Tribune* Office.

HOME AFTER BUSINESS HOURS.—The road along which the man of business travels in pursuit of competence or wealth is not a macadamized one, nor does it ordinarily lead through pleasant scenes and by the well-springs of delight. On the contrary, it is a rough and rugged path, beset with "wait a bit" thorns, and pitfalls which can only be evaded by the watchful care of circumspection. After every day's journey over this worse than rough turnpike road, the wayfarer needs something more than rest; he requires solace; and he deserves it. He is weary of the dull prose of life and athirst for the poetry. Happy is the business man who can find that solace and that poetry at home. Warm greetings from loving hearts, fond glances from bright eyes, the welcome shouts from children, the many thousand little arrangements for our comfort and enjoyment that silently tell of thoughtful and expectant love, the gentle ministrations that disencumber us into an old and easy seat before we are aware of it—these, and like tokens of affection and sympathy, constitute the poetry which reconciles us to the prose of life. Think of this, ye wives and daughters of business men; think of the toils, the anxieties, the mortifications and ware that fathers undergo to secure for you comfortable homes, and compensate them for their trials by making them happy by their own firesides.

JIM CRAMER.—While in Hollidaysburg, a few days since, we called upon the "model conductor" at his new place of business, and found him dealing out butter, beans, potatoes, fish, fruit, etc., to his customers. He takes to the business just as naturally as though he had been at it all his life, and is just as kind and accommodating as he used to be when on the Branch Train. By the way, Jim has been sworn into the County Treasurer's Office, and now fingers the "dear people's" money, and we don't know any one whom we would rather have finger our share of taxes. He will make as popular a Treasurer. "Bully for Jim."

☞ At last we have snow and sleighing in abundance. The fall of snow on Tuesday night and Wednesday last, was the heaviest we have had in thes region in the five years past, being fully eighteen inches on the level. Those who can indulge in the luxury of 2,40 nags, fancy sleighs, plenty of buffalo robes, lots of bells, and a belle, are happy men. There is no fun in sleighing the girls unless it is cold enough to require a gentleman's coat sleeve, with an arm in it, to keep them warm.

☞ On our first page will be found an article headed "In Memorium," which, although intended for a particular case, will nevertheless be applicable to a number of families in this section, who have been recently deprived of their "household jewels," by that dire disease, diptheria.

See same page, also, for orginal poetry, by one of our citizens.

PROTRACTED MEETINGS.—Nightly meetings are still kept up in the Methodist and United Brethren churches, and by the Winebrenarians in Logan Hall. If sinners are not converted from the error of their ways, it is not the fault of the churches or a want of opportunity or instruction.

A No. 1.—In the list of corporations and companies in the State, with their standing, financially, the Altoona Gas and Water Company is put down as first class. The old fogy doctrine that a gas and water company would not pay in Altoona, has been exploded completely.

REB PRISONERS.—One hundred and fifty rebel prisoners, belonging to Morgan's cavalry, captured in Tennessee, passed through this place on the Mail Train, on Friday last. They were a decidedly hard looking party.

☞ The *Standard* learns that Maj. George Raymond, formerly of the *Whig*, has resigned his position as Commercial Agent of the Government, at Balize, Honduras, and has returned to Washington.

DEDICATION.—The new German Lutheran Church, in this place, will be dedicated on Sunday, March 15th. The ministers to be in attendance will be announced hereafter.

☞ We learn from the Register that O. E. Crissman, of Sinking Valley, has been appointed Steward of the House of Employment, in room of E. McGraw, resigned.

United States Hotel.

MESSRS EDITORS:—In passing through Harrisburg, we called at the "United States Hotel." This convenient and popular house has just been entirely renovated, refurnished and beautified. The reading room has been refitted and furnished in elegant city style. The parlors and chambers have been refurnished, and throughout the entire establishment important changes have been made, and the proprietor seems determined not only to make the "United States Hotel" to rank among the leading popular Hotels of the country, but also to render it *the home* of the traveling public.

We cheerfully recommend this Hotel to the travelling public, because it not only offers every accommodation and is equal to any other similar establishment, but because it has a decided advantage of all others in location, situated only a few steps from the two great depots and perfectly easy of access. C.

A WORD TO MARRIED PEOPLE.—

If it be true that "A penny saved is two-pence made," the shortest way to get rich is to buy your Groceries at FRITCHEY'S, corner of Main and Caroline streets, Altoona.

Browned Rye constantly on hand.

Pickles, ready for table use, by the dozen or hundred.

Shriver's Baltimore Oyster Ketchup.

Pepper Sauce and Tomato Ketchup.

Fresh Tomatoes, Quinces, Peaches, Pears and Plums, in cans.

The American Excelsior Coffee, superior to anything in the market—good as Java and cheap as Rye. Try it.

His stock of Groceries, Fruits, Confectioneries, &c., cannot be excelled in the place.

Cigars and Tobacco of all brands.

Call and be convinced that it is to your interest to buy at the NEW FAMILY GROCERY.

NEW GOODS.—New Goods are now being sold for cash, in the store-room lately occupied by R. H. McCormick, North ward,

R. H. McCORMICK, ag't
for J. W. MOORHEAD.

CIRCULAR FROM THE CASH STORE!—The subscriber would respectfully announce to the public that he has just returned from the East with his stock of FALL AND WINTER GOODS, which he will sell, as usual, at a very small advance on cost, FOR CASH ONLY. He is unable to give a price list owing to the daily fluctuations in the market.

His stock is the heaviest and most complete ever brought to the place, and having been purchased at the very lowest cash prices, will be sold at prices which make it to the interest of cash buyers to call and examine his stock and be convinced that he can and does sell a little cheaper than any credit establishment.

He would call particular attention to his large stock of DRY GOODS, embracing all the latest and MOST DESIRABLE STYLES OF LADIES' DRESS GOGDS to be found in the Eastern market. A full assortment of fancy and plain Flannels and Shirting; large and excellent supply of Linen and Muslins, dozens of patterns of Ladies' and Gent's Gloves, all styles of Hosiery, with the most complete selection of Shawls ever exhibited in this market; any amount of Nubins, Opera Hoods; Ladies' Patent Vests, and a tremendous pile of Austine, Kelly & Co.'s Patent Hoop Skirts, ranging from four to fifty springs, which will be sell at least 25 per cent. under present market price.

Our stock of GROCERIES is complete and selling a few cents below other establishments.—Our Syrups range from 40 to 70 cents per gallon. We would invite particular attention to our large stock of Government coffee, bought before the late heavy advance, which we sell at 20 cents per lb. It is far superior to any of the substitutes lately invented. We have also a heavy stock of TEAS, ranging in price from 60 cents per pound upwards.

Our stock of CHINA, GLASS and DELPH WARE is the largest, most varied and best ever offered to the people of this section. It is really beautiful. An examination of our "Show Window" must convince all who stop to view it that we are not "puffing", our ware. The China Ware embraces Tea Sets ranging in price from $12 to $20. Flower Vases, Mugs and other ornaments. The Glass Ware embraces everything and every style of manufacture. Owing to the late advance we cannot now sell the celebrated Wedgewood Iron Stone Tea Sets for less than $4.75 per set, which is $1.25 below the selling price elsewhere.

I am now fully convinced that the CASH SYSTEM is the best for both seller and buyer, enabling me to sell cheaper, without loss, and giving my customers a better article, and more of it, for the same money, than they get at any other establishment. But argument on this point is superfluous. The reason why I can sell cheaper than credit establishments must be apparent to all who give me a call.

A full stock of boots and shoes.

All Wool, Ingrain, List, Rag and Hemp carpets

Table and floor oil cloths, window shades, &c.

THE Early Physical Degeneracy of AMERICAN PEOPLE.

JUST PUBLISHED BY DR. A. STONE,
Physician to the Troy Lung and Hygienic Institute,

A Treatise on the Causes of Early Physical decline of American People: the cause of Nervous Debility, Consumption and Marasmus.

This work is one of high moral tone, written in chaste, yet thrilling language, and appeals directly to the moral consciousness of ALL PARENTS and Guardians especially, detailing scientific and reliable aids and treatment for cure.

It will be sent by mail on the receipt of two (3 cent) Stamps.

☞ Parents and Guardians! Fail not to send and obtain this book.

☞ Young men! Fail not to send and get this book.

☞ Ladies! You too should at once secure a copy of his book.

A Word of Solemn Conscientious Advice to those who will reflect.

A class of maladies prevail to a fearful extent in the community, dooming at least 100,000 youth of both sexes annually to an early grave. Those diseases are very imperfectly understood. Their external manifestation, or symptoms are Nervous Debility, Relaxation and Exhaustion; Marasmus or wasting and consumption of the tissues of the whole body; shortness of breathing or hurried breathing on ascending a hill or flight of stairs; great palpitation of the Heart; Asthma, Bronchitis and sore Throat; shaking of the Hands and limbs; aversion to society and to business or study; dimness of eye sight, loss of Memory, dizziness of the Head, Neuralgia, Pain in various parts of the body; Pains in the back or limbs, Lumbago, Dyspepsia or Indigestion, irregularity of the bowels, deranged secretions of the Kidneys and other glands of the body, as Leucorrhœa or Fleur Albus, &c. Likewise Epilepsy, Hysteria and Nervous Spasms.

Now in ninety-nine cases out of every one hundred, all of the above named disorders, and a host of others not named, as Consumption of the Lungs and that most insidious and wily form of consumption of the Spinal Nerves, known as Tabes Dorsalis, and Tabes mesenterica, have their seat and origin in diseases of the Pelvic Viscera. Hence the want of success on the part of old school practice in treating symptoms only.

Dr. Andrew Stone, Physician to the Troy Lung and Hygienic Institution, is now engaged in treating this class of modern maladies with the most astonishing success. The treatment adopted by the Institution is new; it is based upon scientific principles, with new discovered remedies; without minerals or poisons. The facilities of cure are such that patients can be cured at their homes, in any part of the country, from accurate descriptions of their case, by letter; and have the medicines sent by Mail or express. Printed interrogatories will be forwarded on application.

☞ Consumption, Catarrh and diseases of the throat cured as well at the Home of the Patients as at the Institution, by sending the Cold Medicated INHALING BALSAMIC VAPORS, with inhaler and ample directions for their use, and direct correspondence.

☞ Patients applying for interrogatives or advice, must enclose return stamps, to meet attention.

☞ The attending Physician will be found at the Institution for consultation, from 9 a. m. to 9 p. m., each day, Sunday in the forenoon.

CASE OF DANIEL A. BOYD.

PITTSBURGH, December 31, 1861.

DR. G. H. KEYSER:—I take pleasure in making this voluntary statement in favor of a medicine prepared by you called "LINDSEY'S BLOOD SEARCHER." I had suffered for five years with Scrofula which broke out on my head an forehead so as to disfigure me very much, and took off the hair when the disease made its appearance; it also broke on on my arm above and below the elbow, and eat into the skin and flesh so as to expose a fearful sore. The disease on my head went so far that several small pieces of bon came out. I was very weak and low spirited, and had given up all hope of ever getting well, as I had tried several skillful physicians and they did me no good. In September last, 1861. I was induced to try "LINDSEY'S IMPROVED BLOOD SEARCHER." I must confess I had no faith in patent medicines, but after I had used three bottles o Blood Searcher, the ulcers on my head and arm began to heal. I have now taken eight or ten bottles, and my head and arm are entirely well except the scars remaining from the sores. I will also state that I had the rheumatism very bad in my arms and legs. The Blood Searcher also cured the rheumatism. I am now a well man, over forty years of age, and I feel as supple and young as I did when I was twenty, and have increased in weight twenty pounds. I would also state that the disease in my forehead was as bad that when I stooped and lifted anything heavy, the blood run out of the sore. Dr. Keyser had a photograph taken of me by Mr. Cargo, the artist, after I began to get well. It does not show my appearance as bad as it was before I commenced taking the medicine. You can see the photograph, one of which is now in my possession, and also at Dr. Keyser's 140 Wood street. I would also state that I took the Blood Searcher which was made before Dr. Keyser commenced making it. Although it helped me some, I did not recover fast until I got the kind made by Dr. Keyser himself. One bottle of his did more good than two of the old. I believe it is a great deal stronger and better. I have recommended the Blood Searcher to a great many of my friends for various diseases, and I believe it has helped the whole of them. You may publish this if you wish, and I am anxious that all who are afflicted as I was may be cured. I live in this city No. 4 Pine street, and am employed at Collville & Anderson's Union Marble Works, 54 Wayne street.

DANIEL A. BOYD.

A BLIND MAN CURED.

I live in Sligo, at Clinton Mill and have been nearly blind in both eyes for nearly four years. I called on Dr Keyser about three months ago and asked him to give me directions to the Institution for the Blind in Philadelphia He told me that I need not go to Philadelphia to get well as he had medicine that would cure me, as he said my disease was in the blood. I was treated for it two or three times in the hospital in this city, and was relieved, but my disease always returned after a month or two after I came out of the hospital. I found my disease was returning and I called, by the advice of a good friend of mine, on Dr. Keyser, who has restored my sight, and my eyes are nearly as well as ever. The Doctor gave me "Lindsey's Blood Searcher" and a wash.

A BAD SORE LEG CURED.

PITTSBURGH, September 18, 1861.—I hereby certify that I have had a sore leg for over a year. It was covered with ulcers and sores so that I could not work for nearly a year. My leg swelled so that I was unable to do anything for a long time, for at least six months. I tried several of the best doctors in the city, but without any benefit; finally I called on Dr. Keyser, at No. 140 Wood street, who only attended me about two weeks, and gave me but two bottles of medicine, and I am now entirely well and have contined so for six months. I am employed at the Eagle Engine House on Fourth street, where any one can see me.

THOMAS FARRELL.

CANCER CURED.

A LETTER FROM ENGLAND.—Mr. John Pope, of Blaenavon, near Montypool, Monmouthshire, England, writes as follows:

SIR:—An old woman in this place has wished me to write you respecting LINDSEY'S BLOOD SEARCHER, from which she found great benefit, and wishes to have a little more. She has been suffering from a disease of a cancerous nature for the last six or seven years. Her daughter who is living in America, obtained it for her, and sent her eighteen bottles. She is now quite out of it, and I have written to her daughter twice and have received no answer; of course she is anxious to get more, to get completely cured. I told her I would write to you for the agency in this country, and she felt very much pleased to hear me say so. I now beg to ask you on what terms you will supply me; you will please bear in mind the carriage, and supply me as cheap as possible. The carriage on the one dozen bottles was £1 8s 6d. The medicine was a present from her daughter. I would like to have the Blood Searcher in a jar or small cask, if you can send it in that way, or in pint or quart bottles. I will send a bill through bank or registered letter, which ever will be most convenient to you, if you will send me carrier's receipt of the parcel as security. I would send you a stamp to answer this, but as it is uncertain of this reaching you, on account of the country being in six and sevens, a term which is commonly used, you will be kind enough to charge me with the postage.

Yours, respectfully,
JOHN POPE.

[We have seen the letter which is published in to-day's *Dispatch*, from John Pope, and believe it to be genuine.—*Editors Dispatch Pittsburgh.*
