CASE OF DANIEL A. BOYD.

PITTSBURGH, December 31, 1861. DR. G. H. KRYSER :- I take pleasure in making this yol intary statement in favor of a medicine prepared by you called "LINDSRY'S BLOOD SEARCHER." I had suffered for ave years with Scrofula which broke out on my head and orchead so as to disfigure me very much, and took off the Hot Hands, air when the disease made its appearance; it also broke out SPRAINS are sometimes very obstinate, and enlarge-ment of the joints is lisble to occur if neglected. The worst case may be conquered by this Linknent in two or three days. n my arm above and below the elbow, and eat into the skin and flesh so as to expose a fearful sore. The disease on my head went so far that several small pieces of bone ame out. I was very week and low spirited, and had BRUISES, CUTS, WOUNDS, SORES, ULCERS, BURNS iven up all hope of ever getting well, as I had tried sev AND SCALDS, yield readily to the wonderful healing properties of DR. SWEET'S INFALLIBLE LINIMENT when used according to directions. Also CHULBEATURE ral skillful physicians and they did me no good. In Sep ember last, 1861. I was induced to try "Lindser's la PROVED BLOOD SEARCHER." I must confess I had no faith n patent medicines, but after I had used three bottles of Blood Scarcher, the ulcers on my head and arm began to heal. I have now taken eight or ten bottles, and my hear Dr. Stephen Sweet, of Connecticut, and arm are entirely well except the scars remaining from the sores. I will also state that I had the rheumatism ery had in my arms and legs. The Blood Searcher als. Dr. Stephen Sweet, of Connecticut. cured the rheumatism. I am now a well man, over forty years of age, and I feel as suple and young as I did whe was twenty, and have increased in weight twenty pounds Dr. Stephen Sweet, of Connecticut. would also state that the disease in my foreheard was so ad that when I stooped and lifted anything heavy, the blood run out of the sore. Dr. Keyser had a photograpi taken of me by Mr. Cargo, the artist, after I began to get well. It does not show my appearance as bad as it wabefore I commenced taking the medicine. You can see the photograph, one of which is now in my possession and also at Dr. Keyser's 140 Wood street. I would also tate that I took the Blood Searcher which was made before Dr. Keyser commenced making it. Although i helped me some, I did not recover fast until I got the kine made by Dr. Keyser himself. One bottle of his did n more good than two of the old. I believe it is a great dea. stronger and better. I have recommended the Bloom carcher to a great many of my friends for various dis-

ases, and I believe it has helped the whole of them. You nay publish this if you wish, and I am anxious that all who are afflicted as I was may be cured. I live in this city. No. 4 Pine street, and am employed at Collville & Ander son's Union Marble Works, 54 Wayne street. DANIEL A. BOYD.

A BLIND MAN CURED. I live in Sligo, at Clinton Mill and have been nearly blind in both eyes for nearly four years. I called on D Keyser ab ut three months ago and asked him to give m lirections to the Institution for the Blind in Philadelphi He told me that I need not go to Philadelphia to get well as he had medicine that would cure me, as he said my diease was in the blood. I was treated for it two or three times in the hospital in this city, and was relieved, but my disease always returned after a month or two after i came out of the hospital. I found my disease was re turning and I called, by the advice of a good friend of nine, on Dr. Keyser, who has restored my sight, and my eyes are nearly as well as ever. The Doctor gave mi Lindsey's Blood Searcher" and a wash. DAVID KINNOLLY,
