A Word of Solemn Conscientions Advice to those

A class of analadies prevail to a fearful extent in the community, dooming at least 100,000 youth of both sexes annually to an early grave. Those diseases are very imperfactly understood. Their external manifestation, or symptons are Nervous Debility, Relaxation and Exhaustion; Marasangs or wasting and consumption of the tissues of the whole body; shortness of breathing or hurried breathing on ascending a hill or flight of stairs; great palpitation of the Heart; Asthma, Broachitis and sore Throat; skaking of the Hands and limbs; aversion to society and to business or study; dimeass of eve sight, hasaureau; skaking of the Hands and limbs; aversion to so-ciety and to business or study; dimease of eye sight, loss of Memory, disziness of the Head, Neuralgia, Pain in va-rious parts of the body; Pains in the back or limbs, Lum-bago, Dyspepsis or Indigestion, irregularity of the bowels, deranged secretions of the Kidneys and other glands of the body, as Leucorthos or Plaur Albus, &c. Likewise Epilepsy, Hystoria and Nervous Spaams.

the body, as Leacorrhos or Flaur Albus, &c. Likewise Rpliegey, Hysteria sind Nervous Spaams.

Now in ninety-nine cases out of every one hundred, all of the above named disorders, and a host of others not named, as Consumption of the Lungs and that most insidious and willy form of consumption of the Spinal Nerves, known as Takes Dorsales, and Takes messut-rica, have their seat and origin in diseases of the Pelvic Viscera. Hence the want of success on the part of old school practice in treating symptoms only.

Dr. Andrew Stone, Physician to the Troy Lung and Hygienic Institution, is now engaged in treating this class of modern maladies with the most astonishing success. The treatment adopted by the Institution is new; it is based upon scientific principles, with new discov red remedies; without minerals or poisons. The facilities of cure are such that patients can be cured at their homes, in any part of the country, from accurate descriptions of their case, by letter; and have the medicines sent by Mail or express. Printed int.rrogatories will be forwarded on application.
