THE Early Physical Degeneracy of AMERICAN PEOPLE.

JUST PUBLISHED BY DR. A. STONE

Physician to the Troy Lung and Hygienic Institute.

A Treatise on the Causes of Early Physical decline of American People; the cause of Nervous Debility, Consumption and Marasmus.

This work is one of high moral tone, written in chaste, yet thrilling language, and appeals directly to the moral consciousness of ALL PARENTS and Guardians especially, detailing scientific and reliable aids and treatment for cure.

It will be sent by mail on the receipt of two (3 cent) Stamps.

☞ Parents and Guardians! Fail not to send and obtain this book.

☞ Young men! Fail not to send and get this book.

☞ Ladies! You too should at once secure a copy of this book.

A Word of Solemn Conscientious Advice to those who will reflect.

A class of maladies prevail to a fearful extent in the community, dooming at least 100,000 youth of both sexes annually to an early grave. Those diseases are very imperfectly understood. Their external manifestation, or symptoms are Nervous Debility, Relaxation and Exhaustion; Marasmus or wasting and consumption of the tissues of the whole body; shortness of breathing or hurried breathing on ascending a hill or flight of stairs; great palpitation of the Heart; Asthma, Bronchitis and sore Throat; shaking of the Hands and limbs; aversion to society and to business or study; dimness of eye sight, loss of Memory, dizziness of the Head, Neuralgia, pain in various parts of the body; Pains in the back or limbs, Lumbago, Dyspepsia or Indigestion, irregularity of the bowels, deranged secretions of the Kidneys and other glands of the body, as Leucorrhœa or Fleur Albus, &c. Likewise Epilepsy, Hysteria and Nervous Spasms.

Now in ninety-nine cases out of every one hundred, all of the above named disorders, and a host of others not named, as Consumption of the Lungs and that most insidious and wily form of consumption of the Spinal Nerves, known as Tabes Dorsalis, and Tabes mesenterica, have their seat and origin in diseases of the Pelvic Viscera. Hence the want of success on the part of old school practice in treating symptoms only.

Dr. Andrew Stone, physician to the Troy Lung and Hygienic Institution, is now engaged in treating this class of modern maladies with the most astounding success. The treatment adopted by the Institution is new; it is based upon scientific principles, with new discov red remedies; without minerals or poisons. The facilities of cure are such that patients can be cured at their homes, in any part of the country, from accurate descriptions of their case, by letter; and have the medicines sent by Mail or express. Printed interrogatories will be forwarded on application.

☞ Consumption, Catarrh and diseases of the throat cured as well at the Home of the Patients as at the Institution, by sending the Cold Medicated INHALING BALSAMIC VAPORS, with inhaler and ample directions for their use, and direct correspondence.

☞ Patients applying for interrogatives or advice, must enclose return stamps, to meet attention.

☞ The attending Physician will be found at the Institution for consultation, from 9 a. m. to 9 p. m., each day. Sunday in the forenoon.

No Mercury or Nuseous Drugs.

DR. JOHNSON,

Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and other places, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, easily alarmed at sudden noise, timidness, with palpitation of the heart, blushing, attended sometimes with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured themselves by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for either business, study, society or marriage.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsy, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY.—The fearful effects of the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of spirits, Evil-Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

THOUSANDS of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emaciated, having a singular appearance about the eyes, cough and symptoms of consumption.

YOUNG MEN

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequences of deviating from the path of nature, and indulging in certain secret habit. Such persons MUST, before contemplating

MARRIAGE,

reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view, the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DISEASE OF IMPRUDENCE.

When the misguided and imprudent votary of pleasure finds that he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as blotches on the head, face and extremities, progressing with frightful rapidity, till at length the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his miseries and sufferings, by sending him to "that Undiscovered Country, from whence no traveller returns."

It is a *melancholy fact* that thousands fall victims to this terrible disease, owing to the unskillfulness of ignorant pretenders, who, by the use of that *Deadly Poison, Mercury*, ruin the constitution and make the remainder of life miserable.

STRANGERS

Trust not your lives, or health to the care of the Unlearned and Worthless Pretenders, destitute of character, who, to copy Dr Johnston's Diploma, or style themselves, in the newspapers, regularly Educated Physicians, incapable of Curing, by administering some vile, bloathing, intoxicating compounds, or as long as the system can be sustained, and in despair, leave you with ruined constitutions to sigh over your galling disappointment.

Dr. Johnston is the only Physician advertising. His credential or diplomas always hang in his office. His remedies or treatment are unknown to any other Physician in the world. He has prepared from a life spent in the great hospitals of Europe, the first in the country and a more extensive Practice than any other Physician in the world.

INDORSEMENT OF THE PRESS.

The many thousands cured at this institution, during the year, and the numerous important Surgical operations performed by Johnston, witnessed by the reports of the "Sun," "Clipper," and many other papers, which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

SKIN DISEASES SPEEDILY CURED.

No letters received unless post-paid and containing stamps to be used for the reply. Persons writing should be particular in directing their letters to this Institution, in the following manner:
