CASE OF DANIEL A. BOYD.

PITTSBURGE, December 31, 1861. DR. G. H. KEYSER :- I take pleasure in making this rolintary statement in favor of a medicine prepared by you called "LINDSEY'S BLOOD SEARCHER." I had suffered for five years with Scrofula which broke out on my head and forehead so as to disfigure me very much, and took off the hair when the disease made its appearance; it also broke out | Dryness of the Skin, n my arm above and below the cibow, and cat into the skin and flesh so as to expose a fearful sore. The disease on my head went so far that several small pieces of bone came out. I was very week and low spirited, and had given up all hope of over getting well, as I had tried several skillful physiciaus and they did me no good. In September last, 1861. I was induced to try "Lindsey's Im ROVED BLOOD SEARCHER." I must confess I had no faith patent medicines, but after I had used three bottles of llood Searcher, the ulcers on my head and arm began to heal. I have now taken eight or ten bottles, and my head and arm are entirely well except the scars remaining from the scres. I will also state that I had the rheumatism very bad in my arms and legs. The Blood Searcher also cured the rheumatism. I am now a well man, over forty years of age, and I feel as suple and young as I did when was twenty, and have increased in weight twenty pounds would also state that the disease in my foreheard was so bad that when I stooped and lifted anything heavy, the lood run out of the sore. Dr. Keyser had a photograph taken of me by Mr. Cargo, the artist, after I began to get well. It does not show my appearance as bad as it was before I commenced taking the medicine. You can se the photograph, one of which is now in my possession and also at Dr. Keyser's 140 Wood street. I would also state that I took the Blood Searcher which was made be fore Dr. Keyser commenced making it. Although it helped me some, I did not recover fast until I got the kind made by Dr. Keyser himself. One bottle of his did me more good than two of the old. I believe it is a great deal stronger and better. I have recommended the Bloomer Searcher to a great many of my friends for various diseaser, and I believe it has helped the whole of them. You may publish this if you wish, and I am anxious that all who are afflicted as I was may be cured. I live in this city. No. 4 Pine street, and am employed at Collville & Ander

A BLIND MAN CURED. I live in Sligo, at Clinton Mill and have been nearly blind in both eyes for nearly four years. I called on Dr. Keyser ab ut three months ago and asked him to give me directions to the Institution for the Blind in Philadelphia He told me that I ned not go to Philadelphia to get wel as he had medicine that would cure me, as he said my dis ease was in the blood. I was treated for it two or three times in the hospital in this city, and was relieved, but my disease always returned after a month or two after l came out of the hospital. I found my disease was re turning and I called, by the advice of a good friend or mine, on Dr. Keyser, who has restored my sight, and my eyes are nearly as well as ever. The Ductor gave me 'Lindsey's Blood Searcher' and a wash.

A BAD SORE LEG CURED.

PITETBURGE, September 18, 1861.—I hereby certify tha I have had a sore leg for over a year. It was covered with ulcers and sores so that I could not work for nearly a year. My leg swelled so that I was unable to do anything for a long time, for at least aix months. I tried several of the best doctors in the city, but without any penefit; finally I called on Dr. Keyser, at No. 140 Wood street, who only attended me about two weeks, and gave me but two bottles of medicine, and I am now entirely well and have contined so for six months. I am employed at the Eagle Engine House on Fourth street, where any
