CASE OF DANIEL A. BOYD. PITTSBURGH, December 31, 1861.

DR. G. H. KEYSER—I take pleasure in making this voluntary...

statement in favor of a medicine prepared by you called...

"LINDSEY'S BLOOD SEARCHER." I had suffered for five years...

with Scrofula which broke out on my head and forehead...

so as to disfigure me very much, and took off the hair...

when the disease made its appearance; it also broke out on...

my arm above and below the elbow, and set into the skin...

and flesh so as to expose a fearful sore. The disease on...

my head went so far that several small pieces of bone...

came out. I was very weak and low spirited, and had given...

up all hope of ever getting well, as I had tried several...

skilful physicians and they did me no good. In September...

last, 1861, I was induced to try "LINDSEY'S IMPROVED BLOOD...

SEARCHER." I must confess I had no faith in patent medicines...

but after I had used three bottles of Blood Searcher, the...

ulcers on my head and arm began to heal. I have now used...

eight or ten bottles, and my head and arm are entirely...

well except the scars remaining from the sores. I will also...

state that I had the rheumatism very bad in my arms and...

legs. The Blood Searcher also cured the rheumatism. I am...
