RAILROAD SPEED.—Many fatal accidents occur on railroads by persons attempting to drive across when a train is approaching.

RE-OPENING.—The vestibule and audience room of the Methodist E. Church, in this place, having been repapered, painted, and otherwise fitted up in the most handsome style, will be opened for divine service on Sabbath morning next, at 11 o'clock.

ODD FELLOWS' SUPPER.—On Friday evening last, Altoona and Verona Lodges of Odd Fellows, of this place, partook of an oyster supper at Nagle's hotel.

ACCIDENT.—Henry Brimell, of Williamsburg, was seriously, if not fatally injured on Wednesday last, while engaged in carrying on at the Springfield Mine Bank to Williamsburg Furnace.
