A class of maladies prevail to a fearful extent in the cummulaty, doesning at least 100,000 youth of both sexes annually to an early grave. Those diseases are very imperfectly understood. Their external manifestation, or syniptons are Nervous Debility, Relaxation and Exhaustion, Marasima or wasting and consumption of the tissues of the whole body; abortness of breathing or inurried breatting on ascending a hill or flight of stairs; great palpitation of the Heart; Asthma, Brouchitis and sore Throat; staking of the Hands and limbs; averation to society and to business or study; dimness of eye sight, loss of Memory, dissiness of the Head, Neuralgia, Pain in various parts of the body; Pains in the back or limbs, Lumbago, Dyspepsia or Indigestion, irregularity of the bowels, deranged scretions of the Kidneys and other glands of the body, as Leucorrhose of Fleur Allus, &c. Likowise Epilepsy, Hysteria and Nervous Spaams.

Now in ninety-nine cases out of every one hundred, all of the above named disorders, and a host of others not named, as Consumption of the Lungs and tilat most inskilous and willy form of consumption of the Spinal Nerves, known as Tabes Dorsales, and Tabes mesenterica, have their seat and oright in diseases of the Pelvic Viscera. Hence the want of success on the part of old school practice in treating symptoms only.

COUNTERFEITS.—As KUNKEL'S BITTER WINE OF COUNTERFEITS.—As KUNKEL'S BITTER WINE OF IRON is the only sure and effectual remedy in the known world for the permanent cure of Dyspepsia and Debility, and as there are a number of imitations offered to the public, we would caution the community to purchase none but the genuine article, mannfactured by S.
