this book. A Word of Solemn Conscientious Advice to those who will reflect.

A class of maladies prevail to a fearful extent in the minimulity, dooming at least 100,000 youth of both sexes annually to an early grave. Those diseases are very instrictly understood. Their external manifestation, or mptona are Nervous Deblity, Relaxation and Exhaustics. symptoms are Nervous Deblity, Relaxation and Exnaus-ion: Mirasinus or wasting and consumption of the tissues of the whole body; shortness of breathing or hurried breathing on ascending a hill or flight of stairs; great pal-pitation of the Heart; Asthma, Bronchitis and sore Throat; skaking of the Hands and limbs; sversion to so-

pitation of the Heart; Asthma. Bronchitis and sore Throat; skaking of the Hands and limbs; aversion to society and to business or study; dimness of eye sight, loss of Monskey, dissiness of the Head, Neuralgia, Pain in various pairts of the body; Pains in the back or limbs, Lumbago, Dyspepsia or Indigestion, irregularity of the bowels, deranged secretions of the Kidneys and other glands of the body, as Leucorrhus or Fleur Albus, &c. Likewise Epliepsy, Hysteria and Nervous Spasms.

Now in ninety-nine cases out of every one handred, all of the above named disorders, and a host of others not named, as Consumption of the Lungs and that most insidious and willy form of consumption of the Spinal Nerves, known as Tabes Dorsales, and Tabes mesenterica, nave their soat and origin in diseases of the Pelvic Viscera. Hence the want of, success on the part of old school practice in treating symptoms only.

Dr. Asdrew Stone, Physician to the Troy Lung and Hygienic Institution, is now engaged in treating this class of modern meladies with the most astonishing success. The treatment adopted by the Institution is new; it is sased upon scientific principles, with new discovered remedies without minerals or poisons. The facilities of cure are such that patients can be cured at their homes, in any part of the country, from accurate descriptions of their cases of the patients and have the medicines sent by Mail or

WEAK STOMACHS. GENERAL DEBILITY, INDI-GESTION, DISEASLES OF THE NERTOCK SYS-TEM, CONSTIPATION, ACIDITY OF THE STOMACH, AND FOR ALL CASES REQUIRING A TONIC.

This wine includes the most agreeable and efficient Salt of Iron we possess; Citrate of Magnetic Oxide combined with the most energetic of Vegetable tenics, Yellow Peruvian Bark. The effect in many cases of Debility, Loss of Appetite and general prostration, of an efficient Salt of Iren, is most happy. It angments the appetite, raises the pulse, takes off muscular flabbiness, removes the palor of abbility, and gives a florid vivor to the countenance. pulse, takes off muscular habbiness, removes the plebility, and gives a florid vigor to the countenance. Do you want something to atrengthen you? Do you want a good appetite?

Do you want to build up your constitution?

Do you want to feel well?

you want to get rid of nervousness? Do you want a brisk and vigorous feeling?

KUNKEL'S BITTER WINE OF IRON. This truly valuable Tonic has been, so thoroughly tested by all classes of the community, that, it is now deemed indispensable as a Tonic medicine. It costs but little, purifles the blood, gives tone to the stomach, removates the system, and prolongs life. I now only ask a trial of this valuable Tonic.

COUNTERFEITS.

BEWARE OF COUNTERFEITS.—As Kunkel's Bitter Wink of Iron is the only sure and effectual remedy in the known world for the permanent cure of Dyspepsia and Debitity, and as there are a number of imitations offered to the public, we would caution the community to purchase none but the genuine article, manufactured by S. A. KUNKEL, and which has his stamp on the top of the cork of every bottle. The very fact that others are attempting to imitate this valuable remedy, proves its worth and speaks solumes in its favor.

THE BITTER WINE OF IRON is put up in 75 cent and \$1.00 bottles, and so in by all respectable Druggists throughout the country. Be particular that every bottle bears the fact small of the proprietor's signature.
