On hearing of the intimacy said to exist during his absence, between Marbourg and Mrs. Moore, who is represented as prepossessinglin appearance and of a gay and dashing disposition, Moore called upon the former, and after an explanation, told him he would shoot him. Mrs. Marbourg, bearing of Moore's threats appealed to him not to take her husband's life, but the outraged husband would not listen to her.

On Friday morning last, Moore arose early and, leaving his house, visited a grocery store near the Postoffice, where he remained until between eight and nine o'clock, when Marbourg passed by. HOSTETTER'S CELEBRATED STOMACH BITTERS one of the greatest strengthening preparations extant It is especially adapted to those who are afflicted with the Fever and Ague, or any other disease arising from a disrdered condition of the digestive organs. For the Fever and Ague there is perhaps no medicine in the world e tual o it, as it enters, purifies the blood, which is so important to bring about a healthy action in diseases of this nature. The Bitters are now among the most popular, and at the same time, valuable specifics in the medical world. In recommending it to the public, we are fully conscious of loing them a great service, knowing, as we do, their many xcellent qualities, and sure and speedy action in all caes where the disease is caused by irregularity of the digestive organs. I had tried a great deal Cures Dyspepsia, Liver Complaint, Headache, General of medicine for them. I used to buy and take whatever I could hear of or read of in circulars and pamphlets that fell in my way, but I could not get cured, sometimes they would do me some good for a little while, but afterwards they would return again as bad as ever. I also applied to two Doctors who visited me at my house and gave me some medicine but it would not do, I could not get well.— in its nature enters into the composition of HOSTETTER'S Over a year ago I got an advertisement of your Lindsey's STOMACH BITTERS.
