DEDUCED THE PRICE, more or less, upon everything in our store, and are determined not to be undersold by any other establishment.—
All we sek is an examination of our goods and prices, and we have no doubt of meeting the wants and suiting the taskes of every person.

AMERICAN PEOPLE. JUST PUBLISHED BY DR. A. STONE Physician to the Troy Lung and Hygienic Institute.

A Treatme on the Causes of Early Physical decline of American People: the cause of Nervous Debility, Consumption and Marasmus.

This work is one of high moral tone, written in chaste, yet thrilling language, and appeals directly to the moral consciousness of ALL. PARENTS and Guardians especially, detailing scientific and reliable aids and treatment for our

r cure.

It will be sent by mail on the receipt of two (3 cent) Parents and Guardians! Fail not to send and obsain this book.

A class of maladies prevail to a fearful extent in the communative, dooming at least 100,000 youth of both sexes annually to an early grave. Those diseases are very imperfectly inderstood. Their external manifestation, or symptoms are Norvous Debility, Relaxation and Exhaustion: Marsamms or wasting and consumption of the tissues of the whole body; shortness of breathing or hurried breathing on ascending a hill or flight of stairs; great paleitation of the Heart; Asthma, Bronchitis and sore Throat; singling of the Hands and limbs; aversion to society and to business or study; dimness of eye sight, loss of Hemory, dixniness of the Head, Neuralgia, Pain in various parts of the body; Pains in the back or limbs, Lumbago, P. speopsis or indigestion, irregularity of the bowels, deranged secretions of the Kidneys and other glands of the body, as Leucorrines or Fleur Albus, &c. Likewise Epilepsy, Hysteria and Nervous Spasms.

Now in iniety-nile cases out of every one hundred, all of the above named disorders, and a host of others not named, as Consumption of the Lungs and that most insidious and willy form of consumption of the Spinal Nervee, known as Tabes Dorsales, and Tabes mesent-rica, have their seat and origin in diseases of the Pelvic Viscera. Hence the want of success on the part of old school practice in treating symptoms only.

Dr. Andrew Stone, Physician to the Troy Lung and Hygiesic Institution, is now engaged in treating this class of modera maiadies with the most astonishing success. The irreament adopted by the Institution is new; it is assed upon scientific principles, with new discovered remedies without minerals or poisons. The facilities of cure are such that patients can be cured at their homes, in any part of the country, from accurate descriptions of their cust, by letter; and have the medicines sent by Mail or tests. who will reflect.
