ANOTHER BUTTER.—We cannot understand why the price of butter should be up to the figures now asked and, of course, paid for it. We do not find that the increase in price creates a corresponding increase in the quantity of the article brought into market. Neither has it improved the quality. If anything it is more rancid—increased in strength as well as price. There never was a pound of butter made that was worth twenty-five cents, not to speak of forty and fifty cents, the price at which it is now selling. We do not blame good housewives for taking all they can get for their marketing. The fault of the whole matter is chargeable to the consumers who, whenever the article becomes scarce, put up the price. The town people are the losers. They are no more certain of getting their weekly allowance at forty cents per pound, than they would be if it were but twenty cents. It pays to manufacture butter at twenty cents per pound, and the country people will sell all they have to spare at that figure, and can sell no more if it were a dollar per pound. We can devise a plan by which butter will be just as plenty at twenty-five cents per pound as it now is at forty cents, viz.—let our citizens form what is termed an anti-butter-eating association, agreeing that whenever butter rises to more than twenty-five cents per pound they will stop using it. This will at once regulate the article, and we shall have just as much as we have now. The formation of such societies as the one spoken of, in Philadelphia, recently brought butter down from 60 cents per pound to 35 cents per pound, in one day.

HOLLING MILL AT ALTOONA.—The citizens of Altoona, favorable to the erection of a Rolling Mill at this place, and giving aid thereto, are requested to meet at Logan Hall, on Thursday evening, May 6th, at 7 o'clock, p. m.

MANY CITIZENS.—It would appear unnecessary for us to present arguments, or urge upon our citizens the propriety of entering into this project. All know that it would add much, in every way, to the prosperity of the town. Our business men are certainly blind to their own interests, if they fail to embrace the opportunity to secure an improvement which will be of so much benefit to them. That stock in Iron Works now pays a large per centage, is known to all, and it is not likely that it will soon decrease. We hope that the present opportunity will be embraced, and the erection of the Mill secured.

THE UNION COUNTY CONVENTION.—The Union County Convention met at Hollidaysburg on last Saturday, and organized by electing Joshua Roller President, G. W. Cunningham, Vice President, and B. F. Rose and C. Guyer, Secretaries.

RESOLVED.—That Abraham Lincoln is the first choice of the Union men of Blair county for next President, and that the delegates to the State Convention, as well as the delegates to the National Convention, will indicate the preference herein expressed.

THE 7TH PENNA. REGIMENT.—The Veteran Seventy-ninth Pennsylvania Regiment, which passed through this place about four weeks ago en route to Lancaster, on thirty days furlough, are expected to start for the Army of the Cumberland in a few days. During its stay in Lancaster it has received nearly five hundred recruits, and its ranks will probably be filled before its departure.

HAND INJURED.—John Christy, son of Dr. R. W. Christy, residing with Gen. Bell, at Bell's Mills, met with a severe accident one day last week. He was engaged in feeding a small circular lathe saw, when his left hand accidentally came in contact with the saw, lacerating it so severely as to render amputation of a part of the thumb and all of the fore-finger necessary.

ATTENTION LADIES.—Will you please glance at our advertising columns, and read the advertisement of Mrs. Amich, who has just opened a Millinery and Variety store, in Conrad's building, East at Altoona. She has a great variety, well worth going to see. You will certainly be able to suit yourselves from her stock.

NO COURT NEXT WEEK.—A. S. Morrow, Prothonotary, gives notice that the Trial List for next week has been continued to July Term, and that Jurors need not attend.

JOSEPH HOYT & Co. No. 10 University Place, New York.

BRIGHTENING UP.—We are pleased to notice that many of our citizens and business men are adding much to the appearance of our town by improving and otherwise beautifying their residences and places of business. Even the oldest store in town, by the aid of carpenter's skill, paint, whitewash and a free use of soap, has been brought to wear a most cozy and improved appearance. Add to this the fact that Mac has just received and placed upon his shelves a very large and handsome stock of Dry Goods—in fact as fine an assortment as we have ever seen in our town—and it may well be conceived that the "good time has come." Our friends, we feel sure, can get no better bargains in Altoona, in the way of Dry Goods, Groceries and Notions, than are now offered at the "Old Store," corner of Virginia and Caroline streets, and hence we advise all to pay Mac a visit while on their shopping-tour about town.

ACCIDENT.—On Saturday evening last, Hugh Meloy, an aged citizen of this place, was knocked down by the engine of the Eastward Express Train, as it was being backed up the yard. It was moving but slowly, otherwise the consequences might have been more serious. Mr. M. was about crossing the track when the engine struck him and knocked him outside the rails. When picked up he was insensible. His head was cut slightly above the right eye and on the right temple, but otherwise he did not appear to be injured. After lying on the platform for a short time, he was able, with the assistance of two men, to walk home.

LOST HANDS.—It will be seen by reference to a notice in another column, that J. B. Hileman has disposed of his entire stock of dry goods, etc., to J. W. Curry, who will continue the business at the old stand. Mr. Hileman was one of our most obliging and energetic merchants, and we are sorry to part with him. His successor appears like a clever manager, of good business qualities, and will no doubt retain the patronage, heretofore bestowed upon Mr. Hileman. See his advertisement elsewhere.

ICE CREAM.—M. J. Weis informs us that he will be prepared to serve up Ice Cream to his customers on Wednesday evening. This will be the first of the season, and is truly characteristic of Jake's enterprise. Call around and see him, try his delicious Cream, and our word for it, you will return home well satisfied that Jake knows how to prepare delicious morsels to suit the palates of an appreciative public. Don't forget that your lady also relies upon such luxuries.

HE TOOK IT BACK.—Jesse Smith informs us that he has taken back his Hat and Cap store, and replenished it with a splendid stock of summer goods, which he is selling at from 10 to 15 per cent cheap, than they can be had elsewhere in the country. He is determined to sell off his entire stock previous to the 1st of September next, and will therefore sell cheap, either at wholesale or retail. He will sell the whole establishment on reasonable terms.

THE MAY NUMBER OF PETERSON'S MAGAZINE has been received. The very first thing we looked for came fully up to our expectations, viz: the frontispiece, entitled, "Deceiving Granny." The fashion plates are exquisite, and the literary selections high toned. The Household Receipts are alone worth the price of the Magazine, which is \$2.00 per annum, in advance.

CIRCULAR.—A school for young ladies and children opened on Monday, April 18th, in the Memorial school room, adjoining the Episcopal Church, Altoona, where all the common English Branches will be taught. Terms, \$1.00 per month. Pupils admitted at any time during the term.

COMING TO TOWN.—Bob Kerr, now in New York city, sends home word that he has just purchased a most superb lot of Dress Goods, and fancy articles for the ladies, which he will have on his counters in a few days. Bob always comes up to his promises.

Messrs. Fries & Williams have entered into partnership in the hardware, stove, tin and sheet iron ware business, and are about making additions to their stock. You can get almost anything you may require, in their line, at their establishment. See card.

THE SEASON OPENED.—The Mountain Base Ball Club opened their playing season, by a game, on Saturday afternoon last. Per consequence, there were a few sore legs on Sunday morning.

See auction sale of condemned Government horses, in this place, on 12th of May.

Mrs. Elmira Dougherty would inform the ladies of Altoona and vicinity, that she is prepared to do all kinds of plain sewing, and respectfully solicits their patronage. Residence in Loudonsville, East of the Railroad. 3t.

Hoyt's Hiawatha Hair Restorative. Hoyt's Hiawatha Hair Restorative. The standard staple preparation for the hair, warranted to all cases to restore faded and gray hair, and to return to their original color. It does not claim to make the hair grow in where it has once fallen out; nothing will do that whatever may be advertised to the contrary, but it will prevent it from falling out, make it soft and silky, and cleanse the scalp from impurities and humors, and thereby remove bad effects of previous use of preparations containing sulphur, niter, etc. It requires no soaping, washing, and hours for its application, nor will it stain the skin, but is as easily applied and wiped from the skin as any hair dressing. It restores the natural sheen of one hair with another, which gives it a lively appearance instead of the dull uniform black of dyes.

HOTT'S IMPERIAL COLORING CREAM. Superior to any Hair Dressing in use. Oils and Colors the Hair at the same time. Changes light and red hair to a beautiful brown or black. Sold everywhere.
