CASE OF DANIEL A. BOYD.

CASE OF DANIEL A. BOYD.

PITTSBURGE, December 31, 1861.

Dr. G. H. KEYERE: I take pleasure in making this voluntary statement in favor of a medicine made by you, called "Lindsey's Blood Searcher." I have suffered for five years from Scrofula, which broke out in my head and forehead, so as to disfigure me very much, and took off the hair when the disease made its appearance; it also broke out on my arm above and below the elbow, and eat into the skin and flesh-so as to expose a fearful looking sore. The disease on my head went so far that several small pieces of bone came out. I was very weak and low spirited, and had given up all hopes of ever getting well, as I had tried several skillful physicians, and they did me no good. In September list, 1861 I was induced to try "Lindsey's Improved Blood Searcher." I must confess I had so faith in patent medicines, but after I had used three bottles of Blood Searcher, the ulcers on my head and arm began to heal. I have now taken eight or ten bottles, and my head and arm are entirely well, except the scars remaining from the sore. I will also state that I had the Rheumatism very bad in my arms and legs. The Blood Searcher also cured the Rheumatism. I am now a well man, over forty years of age, and I feel as supple and young as I did when I was twenty, and increased in weight twenty pounds. I would also state that when I stooped to lift anything heavy the blood ren out of the sore.

Dr. Keyser had a photograph taken of me by Mr. Car-

sore.

Dr. Keyser had a photograph taken of me by Mr. Cargo, the artist after I began to get well. It does not show my appearance as bad us it was before I commenced taking the medicine. You can see the photographs, one of which is now in my possession, also at Dr. Keyser's 140 Wood street. I would also state that I took the Blood Searcher which was made before Dr. Keyser commenced making it. Although it helped me some, I did not recover until I got the kind made by Dr. Keyser himself. One bottle of this did me more good than two of the old. I believel it as a great deal stronger and better. I have recommended the Blood Searcher to a great many of my friends for various diseases, and I believe it has helped the whole of them.

DANIEL A. BOYD. ADDITIONAL CERTIFICATE OF DANIEL A. BOYD DB. KETBER: It is twenty months since I gave you my certificate in respect to the cure of my head and arm by the Blood Searcher, prepared by you. I was told by several people who have no faith in patent medicines that my head would get sore again in less than six months, and there is no appearance of its getting sore again. It is as well now as the day I gave you my certificate. If you like to publish this you may do so.

DILES OF

TWENTY YEARS STANDING CURED

Below will be found a certificate from one of the most respectable citizens of Wilkins township in regard to Dr. Keyser's Lindsey's Blood Searcher. The Doctor's certifi-cutes are within reach, and no one need be deceived in regard to his preparation. to his preparations.

Da. Geo. H. Keyer:—I became afflicted with the Piles about twenty years ago, and every year they were growing worse, so as to trouble me very much, so much so at times as to unfit me for work. Sometimes I was so bad that I could not do anything on account of them, they came out on me as large as a hickory nut. I had tried a great deal could hear of or read of in circulars and pamphlets that fell in my way, but I could not get cured, sometimes they would do me some good for a little while, but afterwards they would do me some good for a little while, but afterwards they would do me some good for a little while, but afterwards they would return again as bad as ever. I also applied to two Doctors who visited me at my house and gave me some medicine but it would not do. I could not get well. Over a year ago I got anadvertisement of your Lindsey's Blood Searcher, made by yourself—when you sold it to me you told me one bottle would not cure me, and that my whole system would have to be renewed by the medicine before I got well. I bought one bottle and took it home with me and used it according to your directions. I them called to see you again, when you said I could not expect much benefit from one bottle. I bought it on, one bottle at a time, until I had used five bottles. After this quantity had been used, I was entirely well of the Piles, which had tortured me for twenty years. In other respects my health is improved, and I am as well as could be expected for one of my age, being sixty years past. I have been well now for six months, and there is no appearance of a return of the disease. I can do any kind of farming work now without the Piles coming down and hurting me. I can pitch hay, chop wood, lift, or do any kind of work which before used to hurt me. When I found out your Blood-Searcher I kept on taking it until I got entirely well. I consider it my duty to make my case known to the country for the benefit of others who may be suffering as I was, and do not know the value of your medicin Da. Geo. H. KEYSER :—I became afflicted with the Pile

DR. WISHARTS

PINE TREE

TAR CORDIAL

IS THE VITAL PRINCIPLE OF THE PINE TREE,

Obtained by a peculiar process in the distillation of the tar, by which its highest medical properties are retained.

Have you a Cough! Have you a Sore Throat! Have you any of the promonitory symptoms of that meet fatal disease, Consumption!

Those who should be warned by these symptoms generally think lightly of them until it is too late. From this fact, perhaps more than any other, arises the sad prevalence and statilty of disease which sweeps to the grave at least "one-sixth" of death's victims.

Consumption has destroyed more of the human family than any other disease, and the best physicians for many years have despaired of a cure, or a remedy that would heat the lungs, but for more than two hundred years the whole medical world has been impressed that there was a mysterious pwer and efficiency in the Pine Tree Tar to heat the lungs; therefore they have recommended the use of Tar Water, which in many cases had a good effect; but how to cambine the medical properties so as to heal the lungs, he ever been a mystery until it was discovered by Dr. L. Q. C. WISHART, of Philadelphia, Pa., the propried tor of "Wishart's Fine Tree Tar Cordial."

Many, not only of the people, but physicians of every school and practice, are daily asking me, "What is the principal or cause of your success in the treatment of Pulmonary Community." My answer is this:

The invigoration of the digestive organs, the strengthenis of the debilitated system, the purification and enrichme of the debilitated system, the purification and enrichment must expel from the system the corruption which acrofula breeds. While this is effected by the powerful alternative (changing from disease to health) properties of the Tar Cordial, its healing and renovateng principle is also acting upon the irritated surfaces of the lungs and throat, penetrating to each diseased part relieving pain, subduing inflamation, and restoring a healthful tendency. Let this two-fold power, the healing and the strengthening, continue to act in conjunction with Nature's constant recuparative tendency, and the patient is saved, if he has not too long delayed a resort to the means of cure.

I ask all to read the following certificates. They are from men and women of unquestionable worth and reputation.

DR. WISHART—Dear Sir:—I had a very dreaful cough and sore throat for one year, and my whole system was fast giving way, and I was prostrated on my bed with but little hope of recovering. My disease baffled the power of all medicines, and in a short time I must have gone to my grave, but thank God, my daughter-in-law would not rest until she went to your store, No. 10, N.
