The Fourth.

This ever glorious day came with a bright, cloudless sky and many happy faces, for, although there were no arrangements for a general celebration, each citizen of our mountain town seemed Benard Fecny, intent on doing their best to make it a gala day. In accordance with a time honored custom a large amount of gunpowder was exploded at an Ed. McGarvey, early hour, which, if it had no other good effect, Wm Carr, brought us out into the pure morning air in time Geo, Feaster, to see the rising sun and, to either see or participate in all that might follow.

THE FANTASTICS.—Some fifty young men had Jos. Huff. arranged for a fantastic parade, and at six o'clock | Geo. H. Kipple, made their appearance from the Hollidaysburg Jas. G. Robison plank road. They were mostly made to represent Jno. J. Potter. that, not rare, species of humanity now familiarly known as contrabands. Some of them presented Wm. Weight, quite a striking appearance, especially the one who | Hugh Osman, hannaered the barrel, (alias bass drum.) The af- Robt. Wheeler, fair, for its kind, was good, but we protest against burlesquing a day so dear to American hearts.

ENGLISH CATHOLIC PIC NIC.—The English Catholic pic-nic was held in Miller's Grove, west of town. This was, perhaps, the largest gathering of the many that surrounded our mountain town during the day. . Dancing and amusements of various kinds filled up the day, until the evening time invited the "gay and happy" home.

THE GERMAN CATHOLICS and GERMAN LU-THERANS occupied different parts of Beale's woods south of town. Their amusements and manner of enjoyment were much the same as at the English Catholic, with the addition, perhaps, that our German friends enter into all such things with their might, consequently manifesting more zeal than their English neighbors.

THE METHODIST S. SCHOOL.—Loudon's woods. also south of town, was made vocal with the songs of these merry children. Here a rich repast was spread for the "dear little ones," and innocent amusements filled up the pleasures of the day. and they returned home, as we heard one of them singing, "Gay and happy still."

THE BAPTIST S. SCHOOL WENT to Hagerty's grove, east of town, where a table swing, &c., had been prepared for their enjoyment. We believe that this was the only place where the document which gave to this day a name was read. Mr. Harry Colclesser read the Declaration of Independence, the teachers and children sung some patriotic songs, and short and appropriate speeches were made by Rev. A. F Shanafelt, of Bell's Mills, and Rev. Dimmock, of Philadelphia. The grove resounded with the gleeful voice of child-

"June 28, 1864. Sent to the Sanitary Commission one box, containing one quilt made and presented by the young ladies of Hamilton school Logan township; thirteen pairs new drawers, one pair old ones; five new shirts and three old ones; thirty-three handkerchiefs; nine towels; three arm slings; two coats; two pairs pants; one hundred and fifty-seven yds. bandages; one hundred rolls old muslin; a lot of lint, and a package of newspapers."

We are requested to say that donations will be to be appropriated to the humane object for which silent chamber they have organized. Those Hogs.—Some weeks ago we had the assurance that all hogs running loose about town would be "arrested" and confined.

Many new pins were erected and quite an improvement made, but we notice this morning quite a number of porkers rooting along the side-

walks of some of our principal streets, We hope the proper officers may get a sight of them, and "send them up" to the castle prepared for their reception.

Young Men's Christian Association,-On Friday night last, at the regular meeting of the Y. M. C. Association, the following officers were elected for the current term, viz. : President, A. H. Sembower; Vice President, J. W. Isenberg; Rec. Secretary, J. D. Hicks : Ass't Rec. Secretary. Chas. G. Welch; Financial Secretary, Richard DeCharmes; Treas:, H. C. Bossinger.

MISS SHORMAKER'S CONCERTS.—We unintentionally neglected in our last issue to notice that it and the scalp from impulities and humors, and entirely both these concerts came off in such a manner as to elicit praise from those best able to judge as to their merits. We hope the thing may be repeat-

ed at some future time. Renaway.-On the morning of the Fourth, a horse, attached to a milk-wagon, became frightened at the music made by the "fantastic band." and ran away, depositing the wagon and freight in a reversed position opposite Eheringer's hotel, on

WONDERFUL DISCOVERY .- We have an article. from our friend Godfray Wolf, corner of Main and Caroline streets, bearing the above caption, which will appear next week. The object of the article is to make known to the citizens of Altoona and vicinity, that Wolf has discovered where the best and cheapest ready made clothing can be purchased in the eastern cities, and that he has consequently filled his shelves with goods from those same houses. And now to conclude this brief notice of this very wonderful production; we need only say to our readers, go to Wolf's and see if you cannot discover something to suit you, but don't carry anything away without his consent.

ALMOST A PIC-NIC AT WAPSENONOCK.-We are informed that some of our fair young friends made arrangements a few days ago to make a trip to this romantic spot. The gentlemen were invited to meet the ladies at a certain place where the fair ones had the cakes and other necessary "fixins" ready. The hour arrived, but lo! the gentleman came not; and the ladies retired to one of the groves near by, where they enjoyed the best of company-their own. Shame on you, young men! Had we been young, the ladies should have gone to Wapsy.

More Troops.-The Governor has issued two separate calls, each for 12,000 men, to serve one hundred days unless sooner discharged. Service hood, until the evening air kissed their brows and in this call will not exempt from the draft, but credit will be given for time of enlistment to any of those enlisting, should they afterwards be drafted. > He was walking on the West track, and stepping out of the way of the Fast Line, was caught by a freight train and instantly killed. His body was frightfully mangled. He resided some where in the Alleghany Mountains, had a wife but no children, and was perhaps fifty years of age. - Tyrone

Sudden Death.-A young man of Gaysport, named Thomas Dasher, who spent the Fourth at this place, attending one of the pic-nics, and returned home in the evening in his usual good health, we are told, died suddenly on Tuesday morning of disease of the heart. It is believed that no securities offer so great inducments to lenders as the various descriptions of U.S. Bonds In all other forms of indebtedness, the faith or ability of private parties or stock companies or separate communities only is pledged for payment, while for the debts of the United States the whole property of the country is holden to secure the payment of both principal and interest in

These Bonds may be subscribed for in sums from \$50 u to any magnitude, on the same terms, and are thus made equally available to the smallest lender or the largest cap italist. They can be converted into money at any moment and the holder will have the benefit of the interest.

It may be useful to state in this connection that the total Funded Debt of the United State , on which interest i payable in gold, on the 3d day of March, 1861, was \$768, 965,000. The interest on this debt for the coming fl co year will be \$15,937,126, while the customs revenue in gol for the current fiscal year, ending June 20th, 1864, ha been so far at the rate of over \$100,000,000 per annum. It will be seen that even the present gold revenues the Government are largely in excess of the wants of th Treasurer for the payment of gold interest, while the recent increase of the tariff will doub less raise the annua eccipts from customs on the same amound of importations

\$150,000,000 per annum.
