THE PUTNAM MANUFACTURING CO.,
No. 13 Platt Street, New York, and Cleveland Ohio.
S. C. NORTHROP, Agent.

WHAT EVERYBODY KNOWS, viz.,—

That Iron well galvanized *will not rust;*

That a *simple* machine is better than a complicated one;

That a Wringer should be *self-adjusting, durable, and efficient;*

That *Thumb-Screws* and *Fastenings* cause *delay* and *trouble* to regulate and keep in order;

That wood soaked in hot water *will swell, shrink and split;*

That wood bearings for the shaft to run in *will wear out;*

That the Putnam Wringer, with or without cog-wheels will *not tear the clothes;*

That cog-wheel regulators are not essential;

That the Putnam Wringer has *all* the advantages, and *not one* of the disadvantages above named;

That all who have tested it, pronounce it the *best* Wringer ever made;

That it will wring a *Thread* or a *Bed-Quilt* WITHOUT ALTERATION.

We might fill the paper with testimonials, but insert only a few to convince the skeptical, if such there be; and we say to all, *test* Putnam's Wringer. Test it THOROUGHLY with ANY and ALL others, and if not entirely satisfactory, return it.

Putnam Manufacturing CO:

GENTLEMEN; *I know from practical experience that iron well galvanized with zinc will not oxidize or rust one particle. The Putnam Wringer is as near perfect as possible, and I can cheerfully recommend it to be the best in use.*

Respectfully yours,
JNO. W. WHEELER, Cleveland, Ohio.

Many year's experience in the galvanizing business, enables me to indorse the above statement in *all particulars.*
JNO. C. LEFFERTS, No. 100 Beekman Street.

New York, January, 1864.

We have tested Putnam's Clothes Wringer by practical workings, and know that it will *do.* It is cheap; it is simple; it requires no room, whether at work or at rest; a child can operate it; it does its duty thoroughly; it saves time and it saves wear and tear. We earnestly advise all who have such washing to do, with all intelligent persons who have *any*, to buy this Wringer. It will pay for itself in a year at most.

HON. HORACE GREELEY.

Sample Wringer sent, Express paid, on receipt of price.

SCROFULA AND RHEUMATISM.

CASE OF DANIEL A. BOYD.

PITTSBURGH, December 31, 1861.

DR. G. H. KEYSER: I take pleasure in making this voluntary statement in favor of a medicine made by you, called "Lindsey's Blood Searcher." I have suffered for five years from Scrofula, which broke out in my head and forehead, so as to disfigure me very much, and took off the hair when the disease made its appearance; it also broke out on my arm above and below the elbow, and eat into the skin and flesh so as to expose a fearful looking sore. The disease on my head went so far that several small pieces of bone came out. I was very weak and low spirited, and had given up all hopes of ever getting well, as I had tried several skillful physicians, and they did me no good. In September last, 1861 I was induced to try "Lindsey's Improved Blood Searcher." I must confess I had no faith in patent medicines, but after I had used three bottles of Blood Searcher, the ulcers on my head and arm began to heal. I have now taken eight or ten bottles, and my head and arm are entirely well, except the scars remaining from the sores. I will also state that I had the Rheumatism very bad in my arms and legs. The Blood Searcher also cured the Rheumatism. I am now a well man, over forty years of age, and I feel as supple and young as I did when I was twenty, and increased in weight twenty pounds. I would also state that when I stooped to lift anything heavy the blood ran out of the sore.

Dr. Keyser had a photograph taken of me by Mr. Cargo, the artist, after I began to get well. It does not show my appearance as bad as it was before I commenced taking the medicine. You can see the photographs, one of which is now in my possession, also at Dr. Keyser's 140 Wood street. I would also state that I took the Blood Searcher which was made before Dr. Keyser commenced making it. Although it helped me some, I did not recover until I got the kind made by Dr. Keyser himself. One bottle of this did me more good than two of the old. I believe it is a great deal stronger and better. I have recommended the Blood Searcher to a great many of my friends for various diseases, and I believe it has helped the whole of them.

DANIEL A. BOYD.

ADDITIONAL CERTIFICATE OF DANIEL A. BOYD

DR. KEYSER: It is twenty months since I gave you my certificate in respect to the cure of my head and arm by the Blood Searcher, prepared by you. I was told by several people who have no faith in patent medicines that my head would get sore again in less than six months, and there is no appearance of its getting sore again. It is as well now as the day I gave you my certificate. If you like to publish this you may do so.

DANIEL A. BOYD,

ANOTHER GREAT CURE BY THE BLOOD SEARCHER.

DR. GEORGE H. KEYSER.—*Dear Sir:* Actuated by the sincerest feelings of gratitude, I take pleasure in adding the case of my son to the already many testimonials in favor of the "IMPROVED BLOOD SEARCHER," *prepared by you,* hoping that others afflicted as my son was, may thereby become induced to use the BLOOD SEACHER, and be rescued from a miserable condition. My little boy of six years of age became afflicted with sore eyes. I took him to five of the most eminent Doctors of Pittsburg; they pronounced it Scrofula, but they could not help him. I was induced to try the BLOOD SEARCHER. I got two bottles; the first bottle I did not notice any benefit from, the second is not quite finished, and his eyes seem to be quite well, although I intend to use another bottle or two to make sure of it.

Yours truly, SARAH CLARK, O'Hara street.

SORE EYES.

DR. GEO. H. KEYSER: My sister had putrid sore eyes, which affected her sight to almost total blindness. I was recommended to try your BLOOD SEARCHER. I bought one bottle, which she took, and she is entirely well. I would recommend it to others similarly afflicted, as I think there is not a better medicine to be found. Wishing you a hearty success, I remain,

Yours truly, MARY T. COUP.
By her brother, HENRY D. COUP.

PALSY CURED.

DR. GEO. H. KEYSER: I have been afflicted with paralysis of the limbs for four months, and after doctoring a long time to no purpose, Mr. Walker, of this place, got me to get one bottle of your BLOOD SEARCHER. I did so, and am now entirely well for which I am very thankful to you. HARRISON BRYNER, Connellsville, Pa.

PAIN IN THE SIDE.

I have been afflicted with a pain in the side for a long time, and one bottle of Improved Blood Searcher cured me sound and well. I had tried everything that I could think of, and had consulted the best doctors in the county and received no benefit until I used one bottle of the Blood Searcher, which cured me sound and well.

JAMES SLIUSMAN,
New Haven, Fayette county.

SKIN DISEASE "BREAKING OUT."

DR. GEORGE H. KEYSER: I have had a breaking out on the skin for six months, and after using everything I could hear of, Mr. Walker advised me to use one bottle of your Blood Searcher. I did so, and find great relief, so much so, that I think I am entirely well, and recommend it to others for the same disease. P. I. V. BRADY,
Connellsville, March 2d, 1863.

SCROFULA.

DR. GEORGE H. KEYSER: My little girl was taken with Scrofula, the same way that her brother was taken, and I went to Mr. Walker and got two bottles of Blood Searcher, and she is now well. Her brother sent his certificate last fall, and I want you to have her's.

BELINDA SHAW.
Connellsville, March, 1863.

PILES OF
TWENTY YEARS STANDING
CURED.

Below will be found a certificate from one of the most respectable citizens of Wilkins township in regard to Dr. Keyser's Lindsey's Blood Searcher. The Doctor's certificates are within reach, and no one need be deceived in regard to his preparations.

DR. GEO. H. KEYSER:—I became afflicted with the Piles about twenty years ago, and every year they were growing worse, so as to trouble me very much, so much so at times as to unfit me for work. Sometimes I was so bad that I could not do anything on account of them, they came out on me as large as a hickory nut. I had tried a great deal of medicine for them. I used to buy and take whatever I could hear of or read of in circulars and pamphlets that fell in my way, but I could not get cured, sometimes they would do me some good for a little while, but afterwards they would return again as bad as ever. I also applied to two Doctors who visited me at my house and gave me some medicine but it would not do, I could not get well.—Over a year ago I got an advertisement of *your* Lindsey's Blood Searcher, made by yourself—when you sold it to me you told me one bottle would not cure me, and that my whole system would have to be renewed by the medicine before I got well. I bought one bottle and took it home with me and used it according to your directions. I then called to see you again, when you said I could not expect much benefit from one bottle. I bought it on, one bottle at a time, until I had used five bottles. After this quantity had been used, I was entirely well of the Piles, which had tortured me for twenty years. In other respects my health is improved, and I am as well as could be expected for one of my age, being sixty years old. I have been well now for six months, and there is no appearance of a return of the disease. I can do any kind of farming work now without the Piles coming down and hurting me. I can pitch hay, chop wood, lift, or do any kind of work which before used to hurt me. When I found out your Blood-Searcher I kept on taking it until I got entirely well. I consider it my duty to make my case known to the country for the benefit of others who may be suffering as I was, and do not know the value of your medicine.—You may publish this if you like—I live in *Wilkins Township,* and will be pleased to satisfy any one of the truth of this certificate if they wish to call on me.

ELLIOTT DAVIS.
December 24th, 1863.

DR. WISHART'S
PINE TREE
TAR CORDIAL

IS THE VITAL PRINCIPLE OF THE PINE TREE,

Obtained by a peculiar process in the distillation of the tar, by which its highest medical properties are retained.

Have you a Cough? Have you a Sore Throat? Have you any of the premonitory symptoms of that most fatal disease, Consumption?

Those who should be warned by these symptoms generally think lightly of them until it is too late. From this fact, perhaps more than any other, arises the sad prevalence and fatality of disease which sweeps to the grave at least "one-sixth" of death's victims.

Consumption has destroyed more of the human family than any other disease, and the best physicians for many years have despaired of a cure, or a remedy that would heal the lungs, but for more than two hundred years the whole medical world has been impressed that there was a mysterious pwer and efficiency in the Pine Tree Tar to heal the lungs; therefore they have recommended the use of Tar Water, which in many cases had a good effect; but how to combine the medical properties so as to heal the lungs, has ever been a mystery until it was discovered by Dr. L. Q. C. WISHART, of Philadelphia, Pa., the proprietor of "Wishart's Fine Tree Tar Cordial."

Many, not only of the people, but physicians of every school and practice, are daily asking me, "What is the principal or cause of your success in the treatment of *Pulmonary Consumption?*" My answer is this:

The *invigoration* of the digestive organs, the *strengthening* of the debilitated system, the *purification and enrichment* must expel from the system the corruption which scrofula breeds. While this is effected by the powerful alterative (changing from disease to health) properties of the Tar Cordial, its healing and renovateng principle is also acting upon the irritated surfaces of the lungs and throat, penetrating to each diseased part relieving pain, subduing inflamation, and restoring a healthful tendency. In this two-fold process the healing and the strengthening, continue to act in conjunction with Nature's constant recuparative tendency, and the patient is saved, if he has not too long delayed a resort to the means of cure.

I ask all to read the following certificates. They are from men and women of unquestionable worth and reputation.

DR. WISHART—*Dear Sir:*—I had a very dreaful cough and sore throat for one year, and my whole system was fast giving way, and I was prostrated on my bed with but little hope of recovering. My disease baffled the power of all medicines, and in a short time I must have gone to my grave, but thank God, my daughter-in-law would not rest until she went to your store. No. 10, N. Second street, and related my case to you, purchased one bottle of your Pine Tree Tar Cordial and I commenced to use it, and in one week I was much better, and after using three bottles I am perfectly well, and a wonder to all my friends, for they all pronounced me past cure. Publish my case if you think proper.

Read the following from Utica:

DR. WISHART—*Dear Sir:*—I take pleasure in informing you through this source that your *Pine Tree Tar Cordial,* which was reccommended for my daughter by Dr. J. H. Hall, of this city, has cured her of a cough of more than five months standing. I had thought her beyond cure, and had employed the best medical Aid without any benefit. I can cheerfully recommend for those similarly afflicted as I know of many other cases besides that of my daughter that it has entirely cured of long standing coughs. Yours respectfully, JOHN V. PARKER, Daguerrean Artist.
