WHAT EVERYBODY KNOWS, VIL. that Iron well galvanised sull not rust; That a simple machine is better than a complicated one; that a Wringer should be self-adjusting, durable, and That wood bearings for the shaft to run in will tocarcut;
That the Parman Wringer, with or without cog-wheels
will not tear the clothes;
That cog-wheel regulators are not essential;
That the Parman Wringer has all the advantages, and not

one of the disadvantages above named; That all who have tested it, pronounce it the best Wringer That it will wring a Thread or a Bed-Quilt WITHOUT ALTER-ATOM.

We might fill the paper with testimonials, but inmet only a few to convince the skeptical, if such there be;
and we say to all, test Putann's Wringer. Test it THOROUGHLY with ANY and ALL others, and if not entirely tory, return it.

Putnam Manufacturing CO: GENTLEMEN: I know from practical experience that iron well galvanized with sink will not oxidize or rust one particle. The Futnam Wringer is as near perfect as possible, and I can cheerfully recommend it to be the best in use.

Respectfully yours,

JNO. W. WHEELER, Cleveland, Ohio.

Many year's experience in the galvanizing business, enables me to indores the above statement in all particulars.

JNO. C. LEFFERTS, No. 100 Beekman Street.

We have tested Putnam's Clothes Wringer by practical working, and know that it will do. It is cheap; it is simple; it requires no room, whether at work or at rest; a child can operate it; it does its duty thoroughly; it saves time and it saves wear and tear. We earnestly advise all who have much washing to do, with all intelligent persons who have any, to buy this Wringer. It will pay for itself in a year at most.

Case of Daniel A. Boyd.

PITTSBURGH, December 31, 1861.

DR. G. H. KEYSER: I take pleasure in making this voluntary statement in favor of a medicine made by you, caled "Lindsey's Blood Searcher." I have suffered for five years from Scrofula, which broke out in my head and led "Lindsey's Blood Searcher." I have suffered for five years from Scrofula, which broke out in my head and totehead, so as to disfigure me very much, and took off the hair when the disease made its appearance; it also broke out on my arm above and below the elbow, and eat into the skin and fleah so as to expose a fearful-looking sore. The disease on my head went so far that several small pieces of bone came out. I was very weak and low spirited, and had given up all hopes of ever gettiff well, as I had tried several skillful physicians, and they did me no good. In September last, 1861 I was induced to try "Lindsey's Improved Blood Searcher." I must confess I had no faith in patent medicines, but after I had used three bottles of Blood Searcher, the ulcers on my head and arm began to heal. I have now taken eight or ten bottles, and my head and arm are entirely well, except the scars remaining from the sores. I will also state that I had the Rheumatism very bad in my arms and legs. The Blood Searcher also cured the Rheumatism. I am now a well man, over forty years ofage, and I feel as supple and young as I did when I was twenty, and increased in weight twenty pounds. I would also state that when I stooped to lift anything heavy the blood ran out of the sore.

Dr. Kevser had a photograph taken of me by Mr. Car-

sore. Dr. Keyser had a photograph taken of me by Mr. Cargo, the artist, after I began to get well. It does not show my appearance as bad as it was before I commenced taking the medicine. You can see the photographs, one of which is now in my possession, also at Dr. Keyser's 140 Wood street. I would also state that I took the Blood Searcher which was made before Dr. Keyser commenced making it. Although it helped me some, I did not recover until I got the kind made by Dr. Keyser himself. One bottle of this did me more good than two of the old. I believe it is a great deal stronger and better. I hav recommended the Blood Searcher to a great many of my friends for various diseases, and I believe it has helped the whole of them.

ADDITIONAL CERTIFICATE OF DANIEL A. BOYD DR. KEYSER: It is twenty months since I gave you my certificate in respect to the cure of my head and arm by the Blood Searcher, prepared by you. I was told by several people who have no faith in patent medicines that my head would get sore again in less than six months, and there is no appearance of its getting sore again. It is as well now as the day I gave you my certificate. If you like to publish this you may do so.

BLOOD SEARCHER. DR. GEORGE H. KEYSER.—Dear Sir: Actuated by the sincerest feelings of gratitude. I take pleasure in adding the case of my son to the already many testimonials in favor of the 'IMPROVED BLOOD SEARCHER,' prepared by the busing that others affilied as my so, we was treat the only the case of my son to the arready many vor of the "IMPROVED BLOOD SEARCHER," prepared by you, hoping that others afflicted as my son was, may thereby become induced to use the BLOOD SEACHER, and be rescued from a miserable condition. My little boy of six years of, age became afflicted with sore eyes. I took him to five of the most eminent Doctors of Pittsburg; they pronounced it Scrofula, but they could not help him. I was induced to try the BLOOD SEARCHER. I got two bottles; the first bottle I did not notice any benefit from, the second is not quite finished, and, his eyes seem to be quite well, although I intend to use another bottle or two to make sure of it.

SORE EYES.

DR. GEO. H. KEYSER: My sister had putrid sore eyes, which affected her sight to almost total blindness. I was recommended to try your BLOOD SEARCHER. I bought one bottle, which she took, and she is entirely well. I would recommend it to others similarly afflicted, as I think there is not a better medicine to be found. Wishing you a hearty success, I remain,

SCROFULA.

DR. GEORGE H. KEYSER: My little girl was taken with Scrofula, the same way that her brother was taken, and I went to Mr. Walker and got two bottles of Blood Searcher, and she is now well. TWENTY YEARS STANDING

CURED Below will be found a certificate from one of the most respectable citizens of Wilkins township in regard to Dr. Keyser's Lindsdy's Blood Searcher. The Doctor's certifi-cates are withing reach, and no one need be deceived in regard

his preparations.

Dr. Gro. H. Kryser:—I became afflicted with the Piles Ds. Geo. H. Keyser. —I became afflicted with the Piles about twenty years ago, and every year they were growing worse, so as to trouble me very much, so much so at times as to unfit me for work. Sometimes I was so bad that I could not do anything on account of them, they came out on me as large as a hickory nut. I had tried a great deal of medicine for them. I used to buy and take whatever I could hear of or read of in circulars and pamphlets that fell in my way, but I could not get cured, sometimes they would do me some good for a little while, but afterwards they would return again as bad as ever. I also amplied to would do me some good for a little while, but afterwards they would do me some good for a little while, but afterwards they would do me some good for a little while, but afterwards they would return again as bad as ever. I also applied to some medicine but it would not do, I could not gave me some medicine but it would not do, I could not gave me some medicine but it would not do. I could not gave will.

Blood Searcher, made by yourself—when you sold it to me you told me one bottle would not cure me, and that my whole system would have to be renewed by the medicine before I got well. I bought one bottle and took it home and used it according to your directions. I then called to see you again, when you said I could not expect much benefit from one bottle. I bought it on, one bottle at a time, until I had used five bottles. After this quantity had been used, I was entirely well of the Piles, which health is improved, and I am as well as could be expected for one of my age, being sixty years past. I have been well now for six months, and there is no appearance of a return of the disease. I can do any kind of farming work now without the Piles coming down and hurting me. I can pitch hay, chop wood, lift, or do any kind of work which before used to hurt me. When I found out your Blood-Searcher I kept on taking it until I got entirely well. I consider it my duty to make my case known to the country for the benefit of others who may be suffering as I was, and do not know the value of your medicine—You may publish this if you like—I live in #Hikins Township, and will be pleased to satisfy any one of the truth of this certificate if they wish to call on me.
