True, we have a great many young men. but we have also a fair proportion of old men, and tully as many crippled and physically disabled persons as any other section of the county. Railroad towns always have a fair share of crippled men. The Register gives as a reason for our large quota, "That Altoons has filled her former quotas in good part from other districts." Suppose she has; that would not lessen the number to be drafted from the districts from which Altoons has drawn. According to the law as now interpeted, the man who goes out of the district in which he is enrolled and takes the bounty offered by another, is credited to the district paying the bounty, but his name cannot be stricken from the list of the district in which he is enrolled. We base our opinion on the supposition that a man is required to render service to the district in which he is enrolled, and should he give his credit outside of his district, because it pays no bounty and another does, it is the fault of the district in which he is enrolled, and he cannot be credited to it or stricken from its list, as this would give two credits to the same person. The district which pays a bounty receives credit for all men to whom it pays bounty, no matter where they come from, and the district which refuses to give a bounty must make up for those who go out of it to take bounties elsewhere. This anpears reasonable. Were it not so, there would be no inducement to offer bounties. The quota of we will "let it slide."

Secesh in Trouble .- The Huntingdon Journat & American gives an amusing account of the tribulations of a female Secesh, on her way from Bedford Springs, who stopped at one of the Huntingdon hotels to wait for the Eastward train.-While at the hotel she used very treasonable language and behaved in a manner that indicated her proclivities. The girls employed about the house were incensed at her, and retaliated by treating her to a concert of Union songs-among others singing in full chorus, "We'll hang Jeff Davis on a sour apple tree," &c. This caused Seeesh to rave, whereupon the girls struck up "Rally round the Flag." Secesh was rampant and declared she would rather die than walk under that flag. To test her, the girls procured a large U.S. flag, locked the door which opened on the street, and when the train was coming, hung the flag over the main entrance, by which Secesh was compelled to make her exit. She soon made her appearance, saw the flag, and passed out under it. to the infinite merriment of the girls, who waved it over her head as she departed, accompanying the action with the chorus "Down with the traitors and up with the stars !?

CHAMBERSBURG: Aug. 19, 1864. Messes. Editors:-It is just after dress parade and we are privileged to do as we please. I

Our camp is about one mile West of Chambersburg, on the County Fair Grounds, on the our camp in another particular, viz : scarcity water. The boys have had to travel a mile, and sometimes a mile and a half, to get enough water to make their cup of coffee. This fact will remain as an everlasting stigma upon the character of the citizens who live in the vicinity of the camp. as nearly all of them have kept their pumps and wells locked with chain and key, and at times have

On leaving Camp Curtin we proceeded direct to Hagerstown-six companies strong-under command of Capt. Hall, of Pittsburgh. We arrived at our destination at 10 o'clock on the morning of the 29th of July, and at once marched to camp, where we hoped to enjoy a few hours rest; but such a treat was not in store for us. Scarcely had we reached camp ere the order came to secure all the rations we could and appear in light marching order immediately, as the "Rebs" had crossed the river and were marching on Hagerstown in heavy force.-Of course, we expected to see a fight instanter but in this we were disappointed. We were faced with our backs to the enemy and commenced a hasty retreat, which some of us construed into a grand strategic movement. As we were in light STAMP ON RECEIPTS.—We stated last week marching order, of course our knapsacks were idvaders from the soil of the Keystone State, but such a move was deemed unwise by our command-THE COUNTY AND THE DRAFT.-Woodberry, ing officer, and we were marched through fields

SHERIFF.

EDS. TRIBUNE :-- We desire to announce to the people in your paper, that Mr. Martin Bechtel, of Hollidaysburg, will be a candidate for Sheriff of Blair County at the coming election. Mr. Bechtel very competent officer. Besides, he has claims upon the voters of this County which should not be ightly passed over. In the Fall of 1861 he volunteered to fight the battles of his country, and re mained in the service until after the battle of Getincapacitated for further active duty. He is now at home, crippled for life, and is unable to secure a ivelihood by labor. Every principle of gratitude, houor and patriotism demands that we should take care to reward our crippled heroes for their sacriices and bravery. To save our State from invasion, and our homes from desceration, he periled his life and lost a limb, and we very much mistake the patriotism of the people of Blair county if they permit his noble services to go unrewarded, now that they have an opportunity of testifying their gratitude. We also ask you to publish the following card of Mr. Bechtel, containing his written consent to become a candidate.

MANY CITIZENS.

At the solicitation of numerous citizens, without distinction of Party, I hereby consent to become a candidate for Sheriff of Blair county, at the coming election, and if elected I will perform the duties of the office to the best of my ability.

HOSTETTER'S CELEBRATED.

## STOMACH pure and powerful Tonic, corrective and alte

wonderful efficacy in disease of the STOMACH, LIVER AND BOWELS.

Cures Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constiation, Colic, Intermittent Fevers, Cramps and Spasms, and all Complaints of either Sex, arising from Bodily Weakness, whether inherent in the system or produced by special causes.

Norming that is not wholesome, genial and restorative n its nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains no mineral of any kind; no deadly botanical element; no flery excitunt; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mild-

est of all diffusive stimulants.

It is well to be forearmed against disease, and, so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water and other external causes, HOSTET TER'S STOMACH BITTERS may be relled on as a safe-

In districts infected with Fiver and Ague, it has been ound infallible as a preventive and irresistible as a remedy, and thousands who resort to it under apprehension of dy, and thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very-brief course of this marvelous medi-cine. Fever and Ague patients, after being piled with quinine for months in vain, until fairly saturated with that dangerous alkalord, are not unfrequently restored to health within a few days by the use of HOSTETTER'S BITTERS.

BITTERS.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of DISPERSIA and in less confirmed forms of INDIGESTION. Acting as a genule and painless apperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the di-

as well as upon the liver, it also invariably relieves the Constituation of the digestive and secretive organs.

Persons of feeble habit, liable to Nervous Attacks, Logenes of Spirits and Fits of Languor, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agony of Billious Colic is immediately assuaged by a single dose of the stimulant, and by occasionary resorting to it, the return of the complaint may be prevented. As a General Tonic, HOSTETTER'S BITTERS produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premature Decay and Debility and Decreptude arising from Old Ade, it exercises the electric influence. In the convalencent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-establish it.

Last, but not least, it is The only Safe Stimulant, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day.

No family medicine has been so universally, and, it may be truly added, descreedly opoular with the intelligent portion of the community, as HOSTETTER'S BITTERS.
