A POSITIVE CURE FOR DYSPEPSIA. HEAR WHAT MR. JOHN H. BADCOCK SATS,

No. 1025 Olive Street, Philadelphia, January 224, 1863. Dr. Wishart—Sir:—It is with much pleasure that I am now able to inform you that, by the use of your great American Dyspepsia Pills, I have been entirely cured of that most determined. now able to inform you that, by the use of your great American Dyspepsia Pills. I have teen entirely cured of that most distressing complaint, Dyspepsia. I had been grievously afflicted for the last twenty-eight years, and for ten years of that time have not been free from its pain one week at a time. I have had it in its worst form and have dragged on a most miserable existence—in pain day and night. Every kind of for dithat I at filled me with wind and pain, it mattered not how night, or how small the quantity. A continued bitching was sure to follow.—I had no appetite for any kinds of meats whaterer, and my distress was so great for several monther before I heard of your Pills, that I frequently wished for death. I had taken everything that I had heard of for Dyspepsia, without receiving any benefit; but on your Pills being recommended to me by one who had been cured by them, I concluded to give them a trial, although I had no faith in them. To my astonishment, I found mysell getting better before I had taken one quarter of a box, I am now a well man, and can cat anything I with, and enjoy a hearty meal three times a day, without inconvenience from anything I eat or dripk. If you think proper you are at liberty to make this public and refer to me. I will cheerfully give all desired information to any one who may call on me.

DYSPEPSIA! DYSPEPSIA!

I, Samuel D. Haven, have been a great sufferer with Chronic Dyspepsis and Inflamation of the Kidneys for three years. I had employed three or four of the most eminent physician of Philadelphia, also of Burlington co. N. J. They did all for me they could but all to no putrpose. I was constantly filled with awful pain and distress, and with constant belching of wind and sour acid. My tougne was covered with a white coating of mucus, and was dreadfully sore! Oh! I oftentimes wished for death to relieve me of my sufferings for I had lost all hope of ever being well again. I made it a subject of prayer to God that he would direct me to some physician or medicine that would cure me. I was told to read an advertisement of Dr. Wishart's in the Philadelphia Ledger, of a great cure made upon Mr. John Badcock, of 1028 Olive street. Philadelphia Ledger, of a great cure made upon Mr. John Badcock, of 1028 Olive street. Philadelphia, by the great American Dyspepsia Pills. I went to the Doctor's Office, and placed myself under his treatment, and told him if he failed to cure me it would be the last effort I would make. It has been six weeks since I commenced the use of his medicine, and I am now a well man, free from all pain and distress, and can eat three nearly meals a day with comfort, and feel perfectly well. Dr. Wishart, I want you to publish my case, as I want every poor dyspeptic suffering as I was, to call on me, and I will tell them of the great cure I have received from your invaluable medicine.
