Dr. Wishart—Sir:.—It is with much pleasure that I am now able to inform you that, by the use of your great American Dyspepsia Pills, I have been entirely cured of that most distressing complaint, Dyspepsia. I had been grievously afflicted for the last twenty-eight years, and for ton years of that time have not been free from its pain one week at a time. I have had it in its worst firm and have dragged on a most miserable existence—in pain day and night. Every kind of locd that I ate field me with wind and pain, it mattered not how light, or how small the quantity. A continued betching was sure to follow—I had no appetite for any ki ids of meats whaterer, and my distress was so great for several monther before I heard of your Pills, that I frequently wished for death. I had taken everything that I had heard of for Dyspepsia, without receiving any benefit; but or your Pills being recommended to me by one who had been cured by them, I concluded to give them a trial, although I had no faith in them. To my astoniahment, I found myself getting better before I had taken one quarter of a box, I am now a seell man, and can est anything I wish, and enjoy a heary meal three Ewen a two without inconvenience from anything. before I had taken one quarter of a bux, I am now a well man, and can ent anything I wish, and enjoy a hearty meal three tames a cay, without inconvenience from anything I cat or drink.
