Every kind of tood that I ate filled me with wind and pain, it mattered not how light, or how small the quantity. A continued belching was sure to follow.—I had no appetite for any ki dis of meats whaterer, and my distress was so great for several monther before I heard of your Pills, that I frequently wished for death. I had taken everything that I had heard of for Dyspepsia, without receiving any benefit; but on your Pills being recommended to me by one who had been cured by them, I concluded to give them a trial, although I had no faith in them. To my astonishment, I found myself getting better before I had taken one quarter of a box, I am now a soil man, and can cat anything I had, and enjoy a heary meak three times a way, without inconvenience from anything I eat or drink. I you think proper you are at liberty to make this public and refer to me. I will cheerfully give all desired information to any one willo may call on me.

Yours, respectivity, John M. Bascock.

DYSPEPSIA! DYSPEPSIA!

I, Samuel D. Haven, have been a great sufferer with Chronic Dyspepsia and Inflamation of the Kidneys for three years. I had employed three or four of the most eminent physician of Philadelphia, also of Burlington co. N. J. They did all for me they could but to no purpose. I was constantly filled with awrid pain and distress, and with constant belching of wind and sour acid. My tongue was covered with a write coating of mucus, and was dreadfully sore! Oh! I oftentimes wished for death to relieve me of my sufferings for I had lost all hope of ever being well again. I made it a subject of prayer to God that he would direct up to some physician or medicine that would cure me. I was told to read an advertisement of Dr. Wishart's in the Philadelphia Ledger, of a great cure made upon Mr. John Badock, of 1028 Olive street, Philadelphia, by the great American Dyspepsia Pills. I went to the Doctor's Office, and placed myself under his treatment, and told him if he failed to cure me it would be the last effort I would make. It has been six weeks since I commenced the use of his medicine, and I am now a well man, free from all pain and distress, and can eat three marry meals a day with comfort, and feel perfectly well. Dr. Wishart, I want you to publish my case, as I want every poor dyspeptic auffering as I was, to call on me, and I will tell them of the great cure I have received from your invaluable medicipe.
