May they return home in diate front is a splendid field fort, and reflects safety. much credit on those who engineered it. It is mounted with 32 pounders and a battery of Parrott guns. If any of the young "Johnny Rebs" should take it into their heads to pay us a visit they will find us on the alert and ready to receive

them with opened arms. The election passed off very properly. The companies were abundantly supplied with tickets of both parties. The electioneering was chiefly among the privates, the officers, of both parties, being quiet spectators. The Republican majority foots up 63 votes. When we consider the element the greater portion of the regiment is composed of, chiefly men from those counties that polled such extraordinarily heavy majorities against the first Amendment, such, for instance, as Berks, I think

The greater portion of honor is due Company A, which polled 61 votes, and resulted in "Father Abraham" coming out in the lead with 37 majority. There were only 12 Democratic votes polled. When we were mustered into service, the qualified electors of our company stood 31 Republican and 30 Democratic; but when Democrats came here and saw with their own eyes and heard with their own ears, they changed base and came for supplies to the Union side, and cast helm and will finally anchor the Ship of State in a safe harbor. The "Frosty Sons of Thunder," from Cambria, who are members of Co. A, were for the Union.

The Rebels on our front were exceedingly quiet yesterday, but this morning cannonading and muskerry appears to be the order of the day. The muddy, in consequence of late rains.

A MUSICAL ENTERTAINMENT.-It affords us much pleasure to announce that the Philharmonic Society, of this place, purpose giving an entertainment in the English Lutheran Church, on Thanksgiving evening. Those of our citizens who have attended the rehearsals of the Society need not be urged to attend, as they know the proficiency of the performers and the excellence of the selections of music to be performed on that occasion. To those who attended Miss Shoemaker's concert. last summer, we need not recommend the Philharmonic, as all who heard them then, although they had practised but a short time, well know that the coming entertainment will be a rich treat. To the lovers of music who wich to spend the evening profitably, and enjoy one of the best concerts ever given outside of the cities, we say attend the Philharmonic concert next Thursday evening. We feel sure that we are not promising too much; and we will go still further, and promise to return the admission fee to every one who will call upon us, on Friday morning, and candidly say that they | Store of did not received full value for their money.

Tickets can be had at Fettinger,s, Kessler's, Roush's, Clabaugh's, and Patton's store, and from the members of the society.

THANKSGIVING.—Thursday next has been set apart by the President as a day of National Thanksgiving, and the Governor of this State has adopted it as a day of thanksgiving throughout the selves with a bottle without delay. Croup is a disease commonwealth. We trust our people will observe it in a becoming manner. Let all business be suspended and the churches opened for service be well filled. Rev. W. R. Mills will deliver a discourse, suited to the occasion, in the Methodist Church, at half-past 10 o'clock A. M. We have not been informed of the arrangements for services in the other churches, but presume all will be open at the usual hour for morning services.

Altouna Tribune. Home Again.—The young men who left this place, under Capt. Szink and Lieut. Hicks. in redays troops, having served their term of enlistment, returned to their homes on Saturday morning last. looking as though Uncle Sam's bill of fare had a healthful influence upon them. Although the have not been to the front, and have not been called upon to bear the brunt of battle, they deserve the credit due to all, who responded to the lines from our company would be agreeable to calls of our noble Governor, in days of danger, and many results what we are doing, and how the following persons who were also members of the our whereasted off yesterday. We are still enelection passed as on our arrival, at Ehrhart, John D. Askwith, Adie A. Stevens, old Court House, and the boys are busily engaged Allison M. Stickney, Wm. D. Beck, Thomas M. putting up comfortable quarters and building forts Livingstone, Frank Kneass and John W. M'Laue. and earthworks. We are about finishing our line the most of them have joined the 15th Penn's of works, which extend from the Appomattox to Cavalry, and are ere this on their way to report in

> HARD TO BELIEVE,-Within the past week one of our citizens, whose name we forbear mentioning at present, well known and remarked for his correct deportment and quiet disposition, whose temper no one has ever seen aroused sufficiently to engage in the least quarrel, and much less to lay him open to the charge of malice aforethought in taking life, has been adjudged guilty of the latter crime. The bill of indictment charges him with feloniously lying in wait and stealthily stealing up behind Mr. Buck, a resident of Clearfield county, and, with malice aforethought, taking his life by shooting him with a rifle gun, and afterwards cutting his throat with a knife.-What the provocation was, is doubtless unknown to the unfortunate victim, as he made no effort to avoid the man who sought his life. We have not learned whether Mr. B. had a tamily. The whole affair will be investigated, and we shall have more to say about it hereafter, should the circumstances, as related, prove true.

SMART FELLOWS .- On Election day two Irish men attempted to vote in Allegheny township, who had procured exemption from the draft on the ground of alicnage. To get exempted each one of them had to swear that he had not been their suffrage for the noble pilot who stands by the naturalized, and that he had not voted. Yet when challenged at the Election window as aliens, each one promptly produced certificates of naturalization taken out two or three years ago. Three of the Provost Gnard happened to be at hand, and promptly arrested these American citizens. They are now confined in jail, and will suffer the penalty of false swearing. Of course it is very weather is quite warm, but the roads are very tyrannical and fraudulent, a great abuse of the elective franchise, to tear these worthies from their families, but nevertheless Capt. Lloyd is determined to put them through. These are two of the gentlemen who say the soldiers have no right to vote, &c .- Register.

THE ACCOMMODATIONS .- Our young friend, R. A. O.
