A continued beleting was sure to follow.—I had no appetite for any ki of of meats whaterer, and my distress was so great for several monther before I heard of your Pills, that I frequently wished for death. I had taken everything that I had heard for for Dyspepsia, without receiving any benefit; but on your Pills being recommended to me by one who had been cured by them. I concluded to give them a trial, although I had no faith in them. To my astonishment, I found myself getting better before I had taken one quarter of a box, I am none a well man, and can eat anything I wish, and enjoy a hearty meal three times a day, without inconvenience from anything I eat or drink. If you think proper you are at liberty to make this public and refer to me. I will cheerfully give all desired informatira to any one who may call on me.

Yours, respectfully, John II. Bascock.

DYSPEPSIA! DYSPEPSIA!

I. Samuel B. Haven, have been a great sufferer with Chronic Dyspepsia and Inflamation of the Kidneys for three years. I had employed three or four of the most eminent physician of Philadelphia, also of Burlington co. N. J. They did all for me they could but all to no purpose. I was constantly filled with awail pain and distress, and with constant belching of wind and sour acid. My tongue was covered with a white coating of mucus, and was dreaffully sore! Oh! I oftentimes wished for death to relieve me of my sufferings for I had lost all hope of ever being well again. I made it a subject of prayor to God that he would direct me to some physician or medicine that would cure me. I was told to read an advertisement of Dr. Wishart's in the Philadelphia Ledger, of a great cure made upon Mr. John Badecek, of 1028 Olive street. Philadelphia, by the great American Dyspepsia Pills. I went to the Doctor's Office, and placed myself under his treatment, and told him if he halled to cure me; it would be the last effort I would make. It has been six weeks since I commenced the use of his medicine, and I am now a well man, free from all pain and distress, and can eat three nearty meals a day with comfort, and feel perfectly well. Dr. Wishart, I want you to publish my case, as I want every poor dyspeptic suffering as I was, to call on me, and I will tell them of the great cure I have received from your invaluable medicine.
