AGRICULTURAL TRUTHS.

The following statements will be found correct as to soils long under cultivation.

- 1. All lands on which clover or the grasses are grown, must either have lime in them naturally, or that mineral must be artificially supplied. It matters but little whether it is supplied in the form of stone lime, oyster lime, or marl.

32. To Clean Canvas.—Wash with a decoction of logwood brush several times. Mix 4 oz. of galls in 2 quarts of water, macerate in a warm place 5 days.

- 33. To Color Dyes.—You can paint any color you wish. Use thin paint with considerable sugar of lead, a soft brush, and have your work clean and in a clean place.

34. To Rub and Polish Dyes.—Reduce punice stone to a very fine powder, and sift it through a piece of fine muslin properly stretched over a small box that has no bottom.

- 35. To Wash Rubbers.—Take a round block of convenient size, and sail a piece of old hat on in such a manner that the nails will not scratch.

36. To Rub and Polish Dyes.—Reduce punice stone to a very fine powder, and sift it through a piece of fine muslin properly stretched over a small box that has no bottom.
