----A WHOLE FAMILY IN HEAVEN .- The following eloquent passage is from the pen of Albert Barnes; "A whole family in Heaven! | sont wers Who can picture or describe the everlasting ensu joy. No one is absent. Nor father, nor mother, nor son, nor daughter are away. In the world below they are united in faith and love, and joy. In the morning of the resurrection they ascend together. Before the throne they bow together in united admiration. On the banks of the River of Life, they have commenced a career of glory which shall be overlasting. There is here after to be no separation in that family. No one is to lie down on a bed of pain. No one to wander in temptation. No one to sink into the arms of death. Never in Heaven is that family to move along in the slow procession, cladin the habiliments of oc, to consign one of its members to the tomb. God grant that in his infinite mercy every family may be thus united."

Mr. David Page died at Ann Arbor, (Mich.,) lately, in the niuctieth year of his age. Mr. Page was born at Bedford, Mass. Fobruary 7th, 1767-the same year with John Quincy Adams and Andrew Jackson. He was in his ninth year at the time of th memorable march to Concord-heard the first gun fired, and the stirring events that followed were deeply impressed upon his mind, for his immediate family and friends participated in the skirmish at Lexington.
