THE NEWS.

The news latest from California, brought by the George Law, is very important. The city of San Francisco is in a state of revoluand its principles found warmer adherents tion : the Vigilanco Committee of 1851 has than advocates. The people, the sound, been revived, and the people have risen en tax-paying and thinking people, were always masse to expelTrom their midst the gamblers, vagabonds, theives and murderers, with which that city has been so long infested. The immediate cause of this popular comme tion which to-day rises in grandeur and mation was the munder of James King, 'editor jectic power before the country. During of the Bulletin, by James P. Casey, editor the exciting period of the war of 1812, of the Sunday Times. On the 14th of May, a Democratic administration successfully Casey met King in the public streets and decombatted a proud foreign power, with the lift rately shot him. An article that, had apsympathes of foreign nations against it, and peared in the Bulletin, accusing Casey, among with the clamors of home made philanthro other things, of having been an inmate of nist to contend with. No issue, however Sing Sing Prison, was the alleged cause of important, and no anestion, however it affect the murder. Mr. King lingered for some ted the laboring masses, but was settled by six days and died. In the meantime the mthe men whose talents and convictions were dignation of the people was thoroughly rousdevoted to the promulgation of Democratic ed. The excitement was upparalleled, and principles. The financial crisis - that conon the 21st of May, the day the steamer rulsion of capital which more than threat sailed, continued unabated. The citizens ened a dissolution of the Union, and which organized themselves into military companies, for a time almost destroyed all hope of civil and on the 19th of May proceeded to the jail for the purpose of seizing Casey. The Sherift and other officers dared make no rosistance to such an imposing force, which numbered some two thousand rifles besides field artilery. Casey, and Cora, the murder er of the late United States Marshal Rich ardson, were consequently given up, and the two wretched beings were carried to the comms of the Executive Committee, whence, it was generally believed, they would only go out to execution. The whole proceedings of the people are described as being solemn and orderly in the extreme. Au He was in the Senate, the compeer and the Executive Committee has been in session equal of such men as Clay and Websternight and day trying the prisoners, and it is and he was in the cabinet of Polk, when the said that, after they have been disposed of, casting vote of a Democratic Vice President all the gamblers in San Francisco will be driven from the city. We must await the arrival of another steamer to learn whether this great popular movement will be for good or for evil. The press of San Francisco with the exception of the Herald believe that a thorough renovation will be effected.
