

Frederick's Speculations.

knowledge the receipt of your letter of the 6th inst. enclosing and asking payment of the note drawn by J. C. Fremont, Governor of California, acknowledging the receipt of a note of Mr. John Temple, the sum of fifteen hundred dollars in cash for the use of the United States, and promising, in the name of the United States, to repay the same with interest, at the rate of two per cent per month, dated at Los Angeles, California, the 29th of January, 1847.

As yet, no provision has been made by Congress for the settlement of claims of the above character. A bill now before the House of Representatives for the purpose, and will probably become law in the course of the session; in the meantime, the note enclosed by you is herewith returned.

Very respectfully your obedient servant, W. L. MARCY, Secy of War. Curtis & Peabody, Boston, Mass.

Boston, November 20, 1848.

Sir:—We had the honor of addressing you on the 5th of August last, enclosing a copy of the report of the Board of Commissioners of California, dated at Los Angeles, California, January 25, 1847, for \$1,500, and bearing interest at the rate of two per cent per month, and again on the 4th of September, acknowledging the receipt of your esteemed favor of August 8, returning said draft and informing us that no appropriation had been made for the payment of the note of this character; but that it will be before Congress for its purpose.

In the above letter of 4th September we made the request that you would be kind enough to give us your opinion as to the probability of Congress levying claims of this nature, to which we have not had the pleasure of receiving a reply.

Very respectfully, your obedient servants, CURTIS & PEABODY.

Hon. Wm. L. MARCY, Secy of War.

WAR DEPARTMENT, Washington, Dec. 7, 1848.

GENTLEMEN:—I have the honor to acknowledge the receipt of your letter of the 4th September and 30th ultimo, respecting the draft which you hold of J. C. Fremont, for money borrowed by him in California, and to inform you that the same has been paid in full by the Treasury, and that the bill in relation to this matter, which was introduced as stated in my letter to you of the 8th of August, did not become a law.

I am unable to say what further action may be expected in this department as authorized to borrow money on the faith of the United States, the department cannot recognize any such contract. Mr. Fremont, individually, it is presumed, has received credit at the Treasury for all disbursements he has made in the purchase of horses, whether from notes or from the Treasury.

Very respectfully, your obedient servant, W. L. MARCY, Secy of War. Messrs. CURTIS & PEABODY, Boston, Mass.
