which the Union could not long survive.

The ordinance of 1787, which seems to have been established without much objechave been established without much objection at the time, adjusted the subject of slavery in the Northwestern Territory. Again, in 1820, Congress, after an augry and exciting controversy, passed a law excluding the institution from that part of the Lousana Territory which lies north of a certain parallel of latitude. In 1845, when Texas was admitted into the Union, this line of inhibition was also applied to that State.
