LOCAL INTELLIGENCE.

BEARS.—The neighborhood of Snow-Shoe is infested by large black bears. Mr. David Lucas, a skillful hunter and explorer of the wilds of Snow-Shoe township, killed three large bears last week. One of them weighed three hundred and forty-five pounds. Mr. Lucas rivals Col. Fremont in his explorations and adventures. Last fall he had a terrific combat with a large black bear. He was out hunting and discoverd a large bear leisurely feeding by the side of a chestnut tree. He took aim at the monster and fired—but Bruin happened to turn, and David's load missed the vital spot—which is a thing unusual for him, he being considered the best shot in the county. The bear was only wounded enough to make him savage—and attacked Lucas with such desperation, that our hunter thought his last hour had come; but determining to die game, David defended himself with an undaunted spirit. The bear got him down; David then turned him, and getting his right hand loose, he drew his hatchet, which was in his belt, and struck the bear a blow that he stunned him; after which he leisurely despatched him, and came off victor.

ELK COUNTY MAIL.—The business portion of the people of Centre county are now put to great inconvenience by the length of time it takes to receive or send a letter to Elk county. Previous to the first of July last, the mail run through by way of Karthaus in one day, to Caledonia; but now it takes by way of Tyrone and Clearfield four days. There is a petition in circulation praying the department for a renewal of the route as it was previous to the 1st of July. There is a good line of stages on the route at present, and the mail could be carried three times a week to the great benefit of the public, and the post office department.

DEMOCRATIC MEETING AND POLE RAISING.—On last Saturday the Democracy of Marion and adjoining townships, raised a pole on the same spot where the former pole was raised, which was bored down by same vagabonds. The pole is one hundred and thirty-nine feet above the ground, on which is nailed an American flag measuring nineteen by fourteen feet, with the name of Buchanan and Breckinridge painted on it; also a large streamer containing the motto, "One Union, One Constitution, and One Destiny." The meeting was organized by the appointment of the Hon. Wm. Smyth, President; and assisted by a large number of Vice Presidents and Secretaries. Addresses were delivered by G. A. Crawford, I. C. Mitchell and F. M. Streamer. This meeting was the largest ever held in Jacksonville.

CONTEMPTIBLE.—The vagrant that has been in the habit of defacing bills printed at this office, had better follow some visible means of supporting himself. He would then raise himself in the estimation of the citizens of Jacksonville. His effort in boring down Democratic poles, defacing handbills, and pimping for the free love organ may be gratifying to his own low feelings. A man who is too lazy to work, will soon meet his destiny—the poor house or the penitentiary.

ACCIDENT.—A man by the name of David Shope, wounded himself by a premature discharge of a gun. He was out hunting, and was resting himself with his hand on the muzzle, when he put his foot against the hammer of the lock, the gun discharged and sent the load through the palm of his hand, wounding him in a dreadful manner. It is supposed he will lose the use of his hand.

MR. GEORGE PEABODY, the well known patriotic American banker of London, has arrived in New York, from Liverpool, and is to be honored with public dinners in New York and Boston. It is rumored that he intends to visit Bellefonte, and purchase a new suit of clothes from Isaac May.

THE DEMOCRATIC MEETINGS held in the different parts of the county, give an index of what is going to be done in October. The Democracy are everywhere in arms. Our friends should send us the proceedings earlier in the week and condense them.

LAUGHABLE.—One of our Black-Republican friends was talking about the incompetence of James Buchanan!!! He must be thinking about John C. Fremont, the great cattle speculator, or else he is haunted by the shadow of Jacob Strufle.

CIRCUS.—Rivers and Derious' Circus will be here on the 3d of October. To those who love the smell of saw-dust, and can appreciate the witticisms of the clown, the performances doubtless will prove peculiarly attractive and interesting.

RAIN.—What a nice rain we had on last Thursday night. It was, comparatively speaking, a drop; but still it was a drop of comfort. O, for a soaking rain after the Democratic Convention.

CALL on your job work—we are prepared to print cards, circulars and handbills, in the best style of the art at the lowest cash prices.

RATES.—The fare between Lewistown and Bellefonte; also, the fare between Tyrone and Bellefonte.

WATERMELONS, something less than a barrel in size are selling in our town for the 1, 0 and 25 cents.

DEMOCRATIC MEETING IN LIBERTY TOWNSHIP.—A meeting of the friends of Buchanan and Breckinridge will be held in the school house in Eagleville, on Saturday evening next (27th inst.) All persons who love their country, hallow the memory of our Revolutionary fathers, prefer our free constitution to anarchy and disunion, and are in favor of freedom in Kansas, provided its inhabitants so decide are invited to attend.

D. G. Bush, Esq., Ira C. Mitchell, Esq., and others will be in attendance to address the meeting.

For the Democratic Watchman.

DEMOCRATIC MEETING AT CENTRE HALL.—The Democracy of Potter township assembled in great numbers, on Monday, the 8th of September, at Centre Hall, and judging from the manner in which they took hold of things, the Buck and Brock men of that township mean to be heard and seen on election day. Had the meeting taken place in the evening instead of the afternoon, a still larger turn out would have greeted the eyes of the friends of the Constitution and the Union.

The sturdy, hard-working, hard-fisted Democrats of that old Democratic strong hold, erected two fine young hickories on the occasion, from which the American flag, prepared by the ladies of Potter, waves triumphantly in the breeze with "Buchanan and Breckinridge, the Constitution and the Union" inscribed thereon, and while there fluttering in the free air of Washington's country, its mottoes bid defiance to fanaticism, Know-Nothingism and the accursed breeders of treason, alias Black-Republicanism.

The beautiful ladies of Potter township—all Democratic ladies are pretty—deserve to be praised and admired for the zeal and patriotism exhibited on their part on this occasion, because their fair ladies made the flag and trimmed the line, upon which is suspended the ensign of our country, with flowers and evergreen.

The meeting was called to order at 2 o'clock, by J. G. Kurtz, of the *Berichter*, and organized by calling upon Capt. John Love to take the Chair, and Francis Alexander, Maj. John Neff, Wm. Crape, Henry Witmer, Uriah Slack, Col Wm. W. Love, John H. Keller, Jacob Koch, Sr., Bernard Wagner, Frederick Stover and John Dauberman, as Vice Presidents, and John Hoffer and David Keller, Secretaries.

Col. Kurtz, after having made a few explanatory remarks as to the speakers who were to be present and address the meeting, but who had not yet arrived, introduced to the audience, D. G. Bush, Esq., of Bellefonte, who spoke at some length upon the different topics at issue in the present campaign.

Hon. Allison White, our Congressional candidate, having arrived during this time, was next introduced, and delivered one of those clear and able speeches usual with that gentleman, and could not fail to carry conviction to the minds of all unprejudiced men.

Geo. A. Crawford, Esq., the Presidential Elector for this District, was next introduced. Mr. Crawford is a good speaker, and his arguments were such as could not be gainsaid with truth by any of our adversaries.

Col. Wm. H. Blair, John B. Meek and Maj. John Neff, each spoke for a short time words of encouragement. After a vote of thanks had been given to the speakers, three hearty cheers were sent forth for Buchanan and Breckinridge, the Constitution and our whole country; and then adjourned with the determination to make a grand turnout on the day of the Mass Meeting on the 24th inst., and a still more glorious turnout in October and November next.

A NOBLE BOY.—In a detailed account of the shooting of Mr. Robinson, editor of the Goldsboro' (North Carolina) *Tribune*, by a man named Dorth, we find the following. When Mr. Robinson received the first fire he staggered, instinctively placing his left hand behind him on the spot where he had been wounded, and with his right drawing out his pistol; but he instantly received the second fire, and fell. On being raised, he attempted to cross over to Mr. Dorth, who had now laid aside his gun and drawn a pistol, but found it impracticable—he couldn't stand up. At this juncture, one of his little sons, a lad about fifteen years old, ran up, exclaiming, 'Pa, hand me your pistol, and I'll shoot him,' at the same instant snatching the pistol from his father's hand. The bravery displayed by this little boy in defence of a father whom he then regarded as murdered is worthy of all commendation. He was prevented from fighting or dying in his father's defence only by those who wrested the pistol from him, and, as we thought, wrongfully."

THE WHIG NATIONAL CONVENTION.—The Whig National Convention assembled in Ballast week, and nominated Mr. Fillmore for the Presidency. The *New York Tribune* comments on the movement in the following somewhat peculiar strain, for a journal that has occupied the *Tribune's* position in the past:—

We can afford to give space and prominence to the doings of the convocation of seedy Fillmorites of Baltimore, who profane the name of a National Whig Convention.—They are known and laughed at as Delegates without constituents, engaged in bolstering up a bad and ruined cause by impudent false pretenses. There is no such thing alive as a National Whig party, and these pretenders well know it. A son of Henry Clay and one of Daniel Webster are, with Rufus Choate and other such, supporting Buchanan.

Many who figured in this Convention as Fillmore Whigs are really working for Buchanan. John M. Clayton proclaims his neutrality. Kentucky and North Carolina—the only sure Southern Whig States in the olden time—have gone for Buchanan; Iowa, Vermont and Maine have gone with a rush for Fremont, at least nine-tenths of their Clay Whigs have declared for him; while not a single Whig State—or any other State—has, since his nomination, been carried for Fillmore. Such are the notorious facts. The collection of fossils at Baltimore, to go through the motions" of nominating the Pro-Slavery Know-Nothing candidate for President as a National Whig, is too transparent a humbug to be more than mildly amusing.

THE TRIUMPH COMPLETE.—*Another perfect cure of Epilepsy by Dr Hance's Epileptic Pills.*

DURANTS NECK, PERQUIMAN'S CO., Oct 1st, 1855.

Dr Hance—Dear Sir—Having been afflicted with falling fits for some years past, I determined to give your Pills a trial, (advertisement of which I saw in some of the papers,) and continued to use them for some months, until I was entirely cured. I believe them to be a first rate article, and since I have used them, I have not had one attack, and am now in the enjoyment of good health.

I am, very respectfully,
Yours, &c., JONATHAN J JACOBS.

P S. The Pills were recommended to me by Mr Nathan Newby, of this county, to whose address you sent them.

These Pills heal the soring Epilepsy, are a specific for all modifications of nervous disease. Price $3 per box, two boxes for $5, twelve boxes for $21. Persons enclosing a remittance will have the Pills sent them through the mail, on its receipt. For sale by Enos S. Hance, No 108 Baltimore street, Baltimore, Md., to whom orders from all parts of the Union must be addressed.

MEDICAL IMPOSSIBILITIES.—For a long time a certain class of diseases has baffled the skill and practice of the most eminent members of the regular medical faculty. Foremost among these we might instance epilepsy or falling fits. Happily now by the skill and inventive genius of an eminent chemist of Baltimore, Md., this disease has been brought within the means of a cure. We allude to the preparation called the *Vegetable Extract Epileptic Pills*, invented and prepared by Dr. Seth S. Hance, of 108 Baltimore street, Baltimore, Md. Since their discovery many persons who had given up all hope of ever being cured, have been restored to the full enjoyment of health. Prominent among these we might enumerate Mr Harrison Lightfoot, of Huntsville, Alabama. Mr L. has suffered as much from Epilepsy as any other person in the world; never knowing when it was to pass a week without having an attack, and often falling in the streets of Huntsville. He is now fully restored and has not had an attack for more than a year. Dr Hance's Pills have been the sure cause of this cure. These pills also cure all modifications of Fits, Spasms, Cramps, &c, and are very serviceable for persons of weak nerves. Dr. Hance sends them to any part of the country on the receipt of a remittance. Price, one box, $3, two $5, twelve, $21. Address Seth S Hance, 108 Baltimore, Md.
