"The Democratic party is now solely engaged in raising little niggers: in fact, slave-breeding is now the only principle the Democracy have!"

BY WM. LLOYD GARRISON.

"This Union is A lie. The American Union is an imposture, *a covenant with death and an agreement with hell.*

* * * * * * * I AM FOR ITS OVERTHROW!

* * * * * * * *Up with the flag of disunion*, that we have a free and glorious republic of our own, and when the hour shall come the hour will have arrived that shall witness the overthrow of slavery."

BY WENDALL PHILLIPS.

"No man has a right to be surprised at this state of things. It is just what we (Abolitionists and Disunionists) have attempted to bring about. There is merit in the Republican party. It is the first SECTIONAL party ever organized in this country. It does not know its own face, and it calls itself national; but it is not *national—it is sectional*. The Republican party is a party of the North pledged against the South."

BY JOSHUA GIDDINGS.

"I look forward to the day when there shall be a *servile insurrection* in the south—when the black man, armed with *British bayonets*, and led on by *British officers*, shall assert his freedom, and wage a war of extermination against his master—when *the torch of the incendiary shall light up the towns and cities of the South*, and blot out the last vestige of slavery; and though I may not mock at their calamity, nor laugh when their fear cometh, yet I will hail it as the dawn of a political millennium."

BY W. O. BUTLER.

"I sincerely hope a civil war may soon burst upon the country. I want to see American slavery abolished in my day—it is a legacy I have no wish to leave to my children; then my most fervent prayer is that England, France and Spain may speedily take this slavery accursed nation into their special consideration; and when the time arrives for the streets of the cities of this land of the free and home of the brave to run with blood to the horses' bridles, if the writer of this be living, there will be one heart to rejoice at the retributive justice of Heaven. This, of course, will be treason in the eyes of doughfaces in this land. Well, they are familiar with Dr. Henry's celebrated prescription—'make the most of it.'"

DIETZ & DUNHAM'S

CAM POWER REAPER AND MOWER,

and are now engaged in their manufacture, and are prepared to furnish an article which will not get the back-ache. From those who have used the machine we can produce abundant evidence as to its superiority over any other machine now built, for the following reasons:

1st On account of its simplicity of construction, and the fact that the sickle is worked direct from the driving wheel, with a simple lever instead of a multiplication of cog wheels, journals, cranks, &c which makes it work lighter for the team.

2d It is more compact, and is therefore easie handled.

3d. Its perfect adaptation to uneven grounds without hanging on the horses' necks; the tongue being timber and turning on easter-wheels, which makes it turn easy.

4th. The perfect manner in which it does its work in both grain and grass; the reaping apparatus being so arranged as to put the raker in a convenient position to deliver the sheaves at the side of the machine, and for mowing it has the reaping apparatus all off so as to enable it to cut tangled clover.

This machine is warranted to cut all kinds of grain and grass, as well, if not better, than can be done with scythe or cradle, and all its parts warranted perfect.

TERMS—For Mower and Reaper combined, $130; $50 to be paid on the delivery of machine, or as soon as it is put up and in operation; $50 on the 1st of October, and $50 on the 1st of January, 1857.

For Single Mower $100. $25 on receipt of machine; $35 on the 1st October, and $40 on the 1st of January, 1857.

With each machine there will be furnished an extra knife, one knife section, three guards, wrench, oil-can and neck-yoke.

As only a limited number can be built this season, those who are in want of the article will do well to send in their orders soon. Address,

RESOLUTION PROPOSING AMENDMENTS to the Constitution of the Commonwealth

Resolved, by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, That the following Amendments are proposed to the Constitution of the Commonwealth, in accordance with the provisions of the 10th article thereof.

FIRST AMENDMENT.

There shall be an additional article to said constitution to be designated as article eleven, as follows:—

ARTICLE XI
OF PUBLIC DEBTS.

SECTION 1. The state may contract debts, to supply casual deficits or failures in revenues, or to meet expenses not otherwise provided for; but the aggregate amount of such debts direct and contingent, whether contracted by virtue of one or more acts of the general assembly, or at different periods of time, shall never exceed seven hundred and fifty thousand dollars, and the money arising from the creation of such debts, shall be applied to the purpose for which it was obtained, or to repay the debts so contracted, and to no other purpose whatever.

SECTION 2. In addition to the above limited power the state may contract debts to repel invasion, suppress insurrection, defend the state in war, or to redeem the present outstanding indebtness of the state; but the money arising from the contracting of such debts, shall be applied to the purpose for which it was raised, or to repay such debts, and to no other purpose whatever.

SECTION 3. Except the debts above specified, in sections one and two of this article, no debt whatever shall be created by, or on behalf of the state.

SECTION 4. To provide for the payment of the present debt, and any additional debt contracted as aforesaid, the legislature shall, at its first session, after the adoption of this amendment, create a sinking fund, which shall be sufficient to pay the accruing interest on such debt, and annually to reduce the principal thereof by a sum not less than two hundred and fifty thousand dollars; which sinking fund shall consist of the net annual income of the public works, from time to time owned by the state, or the proceeds of the sale of the same, or any part thereof, and of the income or proceeds of sale of stocks owned by the state, together with other funds, or resources, that may be designated by law. The said sinking fund may be increased, from time to time, by assigning to it any part of the taxes, or other revenues of the state, not required for the ordinary and current expenses of government, and unless in case of war, invasion or insurrection, no part of the said sinking fund shall be used or applied otherwise than in extinguishment of the public debt, until the amount of such debt is reduced below the sum of five millions of dollars

SECTION 5. The credit of the commonwealth shall not in any manner, or event, be pledged, or loaned to, any individual, company, corporation, or association, nor shall the commonwealth hereafter become a joint owner, or stockholder, in any company, association, or corporation

SECTION 6. The commonwealth shall not assume the debt, or any part thereof, of any county, city, borough, or township, or of any corporation, or association, unless such debt shall have been contracted to enable the state to repel invasion, suppress domestic insurrection, defend itself in time of war, or to assist the state in the discharge of any portion of its present indebtedness.

SECTION 7. The legislature shall not authorize any county, city, borough, township, or incorporated district, by virtue of a vote of its citizens, or otherwise, to become a stockholder in any company, association, or corporation; or to obtain money for, or loan its credit to, any corporation, association, institution, or party.

SECOND AMENDMENT.

There shall be an additional article to said constitution, to be designated as article XII, as follows:

ARTICLE XII.
OF NEW COUNTIES.

No county shall be divided by a line cutting off over one-tenth of its population, (either to form a new county or otherwise,) without the express assent of such county, by a vote of the electors thereof; nor shall any new county be established, containing less than four hundred square miles

THIRD AMENDMENT.

From section two of the first article of the constitution, strike out the words, *"of the city of Philadelphia and of each county respectively,"* from section five, same article, strike out the words, *"of Philadelphia and of the several counties,"* from section seven, same article, strike out the words, *"neither the city of Philadelphia nor any,"* and insert in lieu thereof the words, *"and no,"* and strike out section four, same article, and in lieu thereof insert the following:

"SECTION 5. In the year one thousand eight hundred and sixty-four, and in every seventh year thereafter, representatives to the number of one hundred, shall be apportioned and distributed equally, throughout the state, by districts, in proportion to the number of taxable inhabitants in the several parts thereof; except that any county containing at least three thousand five hundred taxables, may be allowed a separate representation; but no more than three counties shall be joined, and no county shall be devided, in the formation of a district. Any city containing a sufficient number of taxables to entitle it to at least two representatives, shall have a separate representation assigned it, and shall be devided into convenient districts of contiguous territory, of equal taxable populations near as may be, each of which district shall elect one representative."

At the end of section seven, same article, insert these words *"the city of Philadelphia shall be devided into single senatorial districts of contiguous territory as nearly equal in taxable population as possible; but no ward shall be devided in the formation thereof."*

The legislature, at its first session, after the adoption of this amendment, shall devide the city of Philadelphia into senatorial and representative districts, in the manner above provided; such districts to remain unchanged until the apportionment in the year one thousand eight hundred and sixty-

FOURTH AMENDMENT

To be section XXVI, Article I.

The legislature shall have the power to alter, revoke or annul, any character of incorporation hereafter conferred by, or under, any special or general law, whenever in their opinion it may be injurious to the citizens of the commonwealth; in such manner, however, that no injustice shall be done to the corporators.

CENTRE HALL HOTEL.—J. C YEAGER having leased the well known house, CENTRE HALL, situated at the point on the Lewistown and Bellefonte Turnpike, intersected by the Spruce Creek and Lewisburg road, Centre county, Pa., would inform the travelling public that he is prepared to attend to the wants of such, in a manner equal, if not superior, to any other hotel or public house in the county. The house is large and commodious, so that families as well as individuals can have separate rooms which preclude intrusion.

HIS TABLE, he purposes, shall vie with any in the country, always affording the best the market can furnish. The supplies for it shall always be purchased with an eye to the varieties of taste and season.

HIS BAR shall contain the choicest liquors of every variety.

THE STABLING is unsurpassed in the county. To attend to it, he has secured the services of an attentive and obliging Hostler, so that the guest may rest satisfied that while his comfort in every respect is being cared for, that his animal shall not be neglected.

TO THE DROVER, this stand furnishes peculiar advantages. Pasture is convenient, abundant and easily obtained.

TO THE METROPOLITAN, who wishes to escape the heated and malarious atmosphere of the city, during midsummer, and to inhale the health restoring and invigorating mountain air of the interior, will find Centre Hall just the place for him.

To all the above class, and those not included, an invitation is given, to call and satisfy themselves as to the truth of the above. He would further add, that his experience, obtained from travelling, and a knowledge of many houses of entertainment, of good repute, as to their accommodations, with which he is well acquainted, justify him in saying the his house shall render satisfaction to his guests—a least to those that can be satisfied at all. my28
