

FRANCISCO DE LA VEGA, THE MINESENER

The power of man to adapt himself to new and indeed unnatural modes of life... The philosopher, Soan has thought a possible for him to live in the water-like a whale; and in support of this theory...

great astonishment, they found the sick monster whose their imaginations had pictured as half a fish and more... The power of man to adapt himself to new and indeed unnatural modes of life...

reader could always rely upon his patient... Once he was discharged with a letter from Liorance to Saldamagna...
