d her steadfastly in the face, and said, "So-1 hia !!? "What, Mr. Adrian ?" "I am going to put a question to you

which I have already put four times this evening, and each time it was answered un truly. May Thope-"

"Hops. what, sir ?" "Tenen a true and candled answer " der at what so, air. But why do you won-

forget what the world is, Mr. Adrian. What are monthe daught by our most anntas mir fisters and our friends ? They total and that the world is full of deceit find

treachery, and so it is generally. We are naturally who had loving ; but what recompense do our love and struth meet with ?-How witch are our affections sought for and

won, and then thrown Lack to us by the inmposes a tax on freight, carried over the Penasylvania Railroad. We have been gratconstant admirer, who that solicited for and then dialafted them ! Who is it makes us lifted to observe, however, that nowly every paper outside of Philadelphia, and some in firth and connetts? Who teaoli as to look af ter fortime and rank ? "If men were surer of it, take strong grounds against the repeat the matrice, they might rely more frequently and argue the question on its true principles. on women' Munis false by nature; women The Press, when united, has immense powin marte so by education and the world's ler, and although we believe the bill will be

manacra," "You are very severe, Miss Sophia. Do great to some of our readers to understand vou think alt in deceitful ?"

"No I nor are all women naturally candid." Y tinue.

"May I put my ducation now ?" " "You voay."

She Smillel kindly, yet archly as she spoke. "Sophia, have you ever loved ?" She put her hand into her bosom and took out a small miniature. It was the portrait of a very handsome youth in sailor's dress;

he was lost two years ago in a wreck on the coast of Brittany.". A tcar fell upon her delphia and Pittsburg, and bringing them hand as she said so.

"Could you love seain ?" asked Adrian other. " The heart knows neither its own weakness nor its own strength until it is tried, ? continued she." tr Al present I feel as if I must be a mourner forever. This, however, I think I may say, that I could never marry through mercenary motives, and that my new affections would be the work of time.-

his car:

"Blue is true, and means more than utters - she is worthy to be your wife.', The last golden feather was gone.

TACTICS OF THE EXCHY-TUE WAR AGAINST MR. BUCHANAN'S ADDINISTRATION CONMENcan -lt was to be housed that those who had opposed the election of Mr. Buchauan would to pay to the State a certain tax on every wait until his policy should be made known hefore they commenced a warfare against his administration. But this reasonable hope is not to be realized. A despenate band of agitators both North and South have already opened their fire upon him at a venture, and as if by a mutual understanding, the Black Republicans of the North, and the Know-Nothings of the South have both chosen Kansas as their battle field ; there they attempt to assail the Administration, and i bleeding Kansas must yet be made to bleed more conjously for the bruefit of both Northern and Southers agitators. If the prople of Kansar should recognize slavery in their Constitution, we know that the Illack the libertics granted out, shall be entheir Gonalitytion, we know that the lines: Republicans would shripk and how more than ever, and abuse James Buchanan as they have shready done Frinklin Pierce. -And should the piople of Kansas when for-ming their Constitution, choose to reject als-very, more of the Southern Kinow-Nothing organs have already intimated that they hold James Buchanan responsible. Wheir peo-ple are determined to flad fault is impos-sible to provent it; but every reasonable.
