Correspondence.

[For the Democratic Watchman] Mr. Pleasant, Henry Co., Iowa July 27th, 1857. MESSRS. SEELY & HALL.-Sirs:-Here comes a communication from the far west, The shock of an earthquake was felt from your old friend Snooks. Time and t Laurens, S. C., on the 21st ult. ther of waters," the Mississippi. After leaving you, we were 19 days and as many nights on our journey to this far off land, by nately, however, the Democrats of Centre Railroud and Steamboat. We were dragged along on the old "Defender" from Pittsto the Bedford Springs.

The most fashionable amusement burg to St Louis, and had really a jolly time ng our young men just now is chasing of it ;- sometimes sick, sometimes well, sometimes mad, and sometimes glad; but, take it all together, it is a big job to move 1800 hundred miles with a family of 8 souls If you don't believe it try it. Without kny serious accident, we landed in Mt. Pleasant on the 11th day of June, all safe. From that period until the present Snooks has been about considerable; house all ready for me to move into when I arrived ; moved into it on the 13th ;- there one, week ; undertake voluntarily, to decide upon the speculation has kept up the price of provisau to 1701 Snaw, of feetas, to be a sine rented the largest hotel in Iowa, called the
pretriest baloes among the type, and in the soons to a most evolution pitch, and the
pretriest baloes among the type, and in the farmers have delived but little advantage who droft, stychnined whisky will makes a Burlington House, wenting it on the 21th, Burkington House, went into it on the 21th, no apprehensions of being blindly led by a glish lawyer in every small matter, as little from increased pines. Speculators in bread of Fer his t of Angust, the anniversary stuffs may have a part of Breight consequences of Breight consequences of Breight consequences of Breight consequences of the poor whom they is to be placed at different places by tight have opposed with burdens too grievous form of Breight consequences of Breight consequences of the ground. So Smooks moved back into have opposed with burdens too grievous form of Breight consequences of the ground. So Smooks moved back into observing the 4th of July.

In connection with May Henry C. Gibson:

Town Cliques, nor do we believe that satisfaction is often oblained as though he since the great cleaning out the Democratic had not been employed, and connected with party recreately the Know-Nothing temployed and connected with the ground. So Smooks moved back into observing the 4th of July.

Yours, &c. observing the 5th of July observing the 5th of July observed that people are longer, pour rooms must come done. Contract are now being made in some States for the delivery of flour at \$4,50 per bariel, and thousands of dollars must be lost by those who have purchased largely, for the purpose of extoring from the poor.

Our opposition with observing the 5th of July observed by any observance are an own being made in some States for the delivery of flour at \$4,50 per bariel, and thousands of dollars must be lost by those who have purchased largely, for the purpose of extoring from the poor.

We arrisg? Atomitomists, who seldon think of the ground. So 8000ks noved back into pest there are any Democration Bellefonte, who are actuated by any observance mouve than who as more defined on the success of our patriotic principles, and the success of our It is not an easy in the to write for the papers as nearly every by seems to think those who have purchased largely, for the purpose of extorting from the poor.

To write well and profitably for the public requires a well disciplined intellect and continuity of thought. One may write well and profitably, if the sheapfined by the to see him well pand for we believe profitably, if the sheapfined by the to see him well pand for we believe profitably in the profitably, if the sheapfined by the to see him well pand for we believe profitably. The may write well and profitably in the prof later, we have no sympathy. I remain your humble

and obedient servant. J G KERTZ. Aaronsburg, July 29th, 1857

(Fer the Democratic Watel man) MISSIS SEELY & HALL - Dear sirs . - Tho you have be that and books to attend to will use fir above the Jeal use heated eavil time is fast approaching when the Democrathe same 'me read my one was for your our creature, who seek to injure him. The cy of Centre County will be called upon to wind takes advantage and upsets your whole his vigilant and energetic action in the would beg leave to present to our fellow cart in the mid. Then you are done, for Democratic rinks has made full atonement Democrats, in connection with the Sheriffalty, the name of Capt Geo. M. Kepler, of come west, don't attempt to take care of H Mr Muchell associated with certain coin. Ferguson Township. The Capt, is a young both onds of yourself at the same time. I pany as is alleged in the Whig's communication of business habits and is extensively pany as is an got in the wing scommonica tion it is the worst we know as a sterling Democrat, and if placed tion it is the worst we know of thou and we know as a sterling Democrat, and if placed who told me he was rich chough now. He will for his better associations in future in nomination, we have no doubt would had a fine "lot of lot of in Desmones City We can assure the petty semblers about make an available candidate and vigilant.

MANY DEMOCRATS OF THE WEST END

[For the Democratic Watchman] MESSRS SELLY & HALL: We see the name

we have laughed, they will have a good

LINES TO MISS BEVERLY. Oft I wish such a semblance had, Enjoyment some, might know, Could I but enliven you, that's sad.

Smites previously, that adorned your face, Have recently caused to exist, Imper epubly have faded, though can trace A similitude, as if in our midst.

Where can I find, like as thine,

Gratitude; please accept, as I bid you farewall

Dymeneul.
