A Sketch of Western Travels.

BY J. S. BARNHART.

St Charles - When laid out - The MoGregor

We proceeded down the Cedar Valley to pays him annually ten thousand dollars -This gentleman has refused an offer of \$40000 and it is said, is now about negotiating a sale with a wealthy capitals t of Clermont at the handsome figures of sixty thousand dollars for the same premises.

At this point is the junction of the Mc-Green St Peter and Missouri River Rail Road with the Cedar Valley Branch of the Corrego and Nebraska Road. County subprisms have been voted very liberally along the line, and from the present indicaters Rail Roads will soon be diverging from the place in various directions. Its and the place is evidently destined to be fine large Court House is in process of con-Struction, as also many other improvements of a public nature.

The "St. Charles Intelligencer," an ably sold, in three weeks, during the month of June, lots to the value of seven thousand dollars, stipulating in nearly every case improvements should be placed upon the same provements should be placed upon the same with a specified time. Property amounts, we consider the local terms of the value of seven thousand dollars, stipulating in nearly every case improvements should be placed upon the same were hospitably entertained by a friend who going incidents of travel may appear, there was a member of this church. If he had the local time local the local time within a specified time. Property amountdinary fertility of the country, and its great advantages for agricultural purposes.

Besides being in one of the healthiest porgrowing along their respective channels.rontly as pure as Spring Creek or any of mountain streams. It has a beautiful gravel bottom, and abounds with fish, which can be seen basking in the sunshine in countless numbers; to the no little amusement of

We crossed several branches of the Wapsapimeon river, which flow sluggishly thro' and was soon lost to view at full speed upa low and level country. Chills and fever consequently prevail, and the "Wapsey" disease. Hundreds of emigrant wagons were after were wending our way with carpet after were wending our travels in Iowa. Fifteen sack in hand, through the beautiful city of and twenty families often traveled in company and encamped during the night along Detroit.

De' La Motte Cadillac, with a jesuit missome stream of water. They generally car- sionary, and a hundred men, laid the founried their agricultural implements. Their cattle were left to feed upon the prairies, ent population is about one hundred thousand a sentified placed to watch lost, any and. It is situated on the Strait or Rive should stray away. They disregarded wind that connects Lake St. Clair with Lake Eric their estimation with an apparent determination with an apparent determination with an apparent determination with a secomplish the great object of drunken hotel runners and reckless their indicates their enterprise.
