# Prospects in Pennsylvania.

In Pennsylvania, no intelligent man, por sessing even a moderate share of information from the several Counties can have a repsonable doubt as to the result of the pending contest. The Democracy will present one unbroken column, and will achieve on the Second Tuesday of October, a glorious victory over the combined forces of Black Republicanism and Blacker Know-Nothingism. Of this, no doubt is entertained, every Democrat doing his duty. It cannot be disguised, and our opponents themselves dare not deny it, that great defection exists in their party. And thous-

### Wilmot's Political Record.

Judge Wilmot's political record is a good treasure they shall never claim them. Mr. PENNSYLVANIA will be called upon by deal like Joseph's coat—a garment of many their free and independent suffrages, to colors. The Clinton Democrat says the first choose from among their fellow citizens, who it ever heard of thin, was in an intense moveshall be their Chief Magistrate, who shall ment to cloot Col. B. M. Johnston, a slaveholder, President, This speculation fuiled. For some time after this he behaved pretty well, and got to Congress. He there distinguished himself by voting for the repeal of lic business generally. This is a high and the tariff of '42, for which nearly all his black labor of the South, as to which should responsibile duty, and if properly apprecia- present supporters denounced him as a traitor to Pennsylvania, and a dough-faced attention of every voter. Nothing should truckler to the South. Frightened by their to prevent the sovereign States of this Union deter him from devoting this day or a por- denunciations, he offered his anti-slavery proviso; at the instance of the Van Burens, in order to defend himself against the accu sations of the Whigs. In 1848 he pledged himself to support the nominee of the Baltimore Convention for President, which pledge he violated, and supported Van Buren. The next we heard of him he was boring the Legislature to make a new judicial district in his locality, with a view to the Jucgeship. He begged the Democrats to do this, in order that he might " get out of politics for a while," and then come back again to the for him, he was elected Judge, but he did not get out of politics," and in 1852 he was this inestimable right, we have long since for him, he was elected Judge, but he did on which the Democratic principles, and meaonly National and safe ground, as certainly
