

THE WATCHWAN.

8. S. SEELY AND J S. BARNHART, SDIFORS

BELLEFONTE, PENN'A.

PAUBADAY, OCTOBER 99, 1857.

Valedictory.

The patrons of the Watchman will likely be surpased; that after so brief a connection mith them as one of the editors of this paper, I should withdraw therefrom, and bid adion to those with whom I have been so pleasantly associated for the past five months .-But other paths invite my feet, and while my carnest wishes for success will ever at- ses. tend the yeornary of old Centre, I hope to be rendered as ful both to myself and others among another people.

. During my short connection with the paof the most brilliant victories ever acquired sold phalanx, and fought with the desperation of men, conscious that if defented they Relying upon the liberality of the people ortile and fair. To day, as the result, Black-Republicanism, Know-Nothingism, and Hyennism he prostrate at our feet, con quered by the friends of peace, the lovers of our constitution and the devotees of hu man Liberty If my humble efforts have sided in any degree in the accomplishment of this glorious triumph, I am amply compensated by the satisfaction the result af ple's choice. fords me. To my friends who have kindly and advice. I take this opportunity of refry that J S. Barnhart, Esq , will be my to the forces of Democracy

Having purchased an interest in the Jersey Shore Republican, I shall be happy to

Long may you wave, may Heaven bestow ite choicest blessings upon you, and may with many regrets.

BENJ R HALL.

Salutatory.

Having become one of the editors and pubshall proceed in accordance with a long estiples flourish forever ! tablished custom to inform the patrons of the paper of the principles by which I shall in future be governed. In assuming this position, I am not entirely insensible to the day's paper it will be seen that the Democ , necessary of life can be directly traced numerous responsibilities that are resting racy of old Centro has come out of the con- Our country can only maintain its prosperisentiments that have been the guiding star some have done their duty nobly in rallying and of its real value, and when labor which to Democracy through the dark seenes of to sustain the principles of their party -the is the true foundation of wealth forms the fanaticism, persecution and discord, through reputation of their neighbor. Gen. Packer, standard for all other articles. The first which it has past in attaining its present and to express their strong indignation at step their towards relief from present dith proud position, I shall ever not forth a zeal-the course pursued by the opposition during culties and impending distress, is for our ous effort to suppress that logotry and in the contest, in attempting to blacken and increhants, and our manufacturers to reduce ten article on the wisdom of Democratic finement of street robberies in New York tolerance which would prescribe another for destroy the private reputation of an individ-the price of their articles, our landloids to opinion's sake, and endeavor to perpetuate unl well known to many of them, by false- lessen their rents, and commence at least a marks spinon's sake, and embeave to perpetuate made with known to many of trems by just those great principles which and of the bladest die.

Should die die bladest die. disguising the fact, that Democratic rulers disguising the fact, that Democratic rulers and a Democratic policy have been the main and a Democratic policy have been the main carnts. It is now floundering in this dust ard and a Democratic policy have been the main should turn his attention at once to the remets in affecting this glorious consumation of things. Again and again, the entire of Mississiprit Erceson—The election in the dust.
