HELEPONTS, NOVERBER 19, 1857 LOCAL AND PERSONAL.

A VIEW FROM THE SUMMIT OF MUNCT MOUN-Mountain to the North-cast of Bellefonte, and from its Summit, had a commanding view of the beautiful valleys upon either side. numerou.

A varied somes of ropect of natural scannary we ever beheld.

as with the locality from prinations of bophood. It is desirable, a within the contribution of goods who.

A continue of progress, have been as. b a interest. But for several as to our visit on, this accession, miliar hands, ceased to receive a stream of the inhibitants within ac, and the quiet homestead of the now appears, where but a few years the wind in pensive paurmans, rustelled angle the foliage of a primera barren podfand. How eagedly the eye wandered a atmiration over the wide expanses of mutrer that outsiffetched so insjectically before our vision of Nittany Mountain, with, its atende rocks, towering pines and mightly penderance, appearently kissed the saure sky as it formed the southern boundary of the valley, and extending weatward, abruptily lost tie grant significance in the bountleft undulating plains that lie off in a South western course. Our altitude upon the mountain, was sufficient to enable us to be almost every importment, for mice around within the valley and the fertile agreedure almost every importment of mice around within the valley and the fertile agreedure and the control wontern course. Our altitude upon the mountain, was sufficient to enable us to be almost every importment of the agreedure and within the valley and the fertile agreedure.

**See the sillage of Zion, and the mountain, was sufficient to enable us to be almost every importment for mice around within the valley and the fertile agreedure.

**See the sillage of Zion, and the mountain, was sufficient to enable us to be almost every importment of the agreedure and the same and the Nittany Valley with its numerous cultivated fields, enlivened by the varied acenes of ru-

of the atmosphere, and evidenced the source from: whence sprangall the advantages in progressive civilization and refinement.

But our attention was not wholly taken up with the varied objects of our immediate valley, for, on turning to the other side of Nor the picture, Bald Eagle presented an array of interesting scenery. Possessing less naturil beauty, it is still not without its atter tions distinguished among which, is the village of Milesburg and its surrounding vi-

Here occurred an incident of historical in terest, of which we were informed by a venciable and early settler, and took place while the Indians were still in possession of the Valley

A ligh offence had been committed against their laws by one of the Indians, for which the raws by one of the Indians, for which the was condemned to suffer death by running the gamulet of effect his estape. In that manner. Along the bank of the Bald Eagle creek near Milesburg, was the spot selected on which to celebrate the occasion. He was accordingly placed upon the ground. He was accordingly placed upon the ground. In was unfortunate enough to fall victim immediately, after which the Indians turned their attention (3 drunkenness and debaucher). The Bahd Eagle Creek is remarkably worth of sparkling water, and casts a mellow haz.

Attumn light thou the fading grass

Curtin's Iron works presented the appearance of the shall said only equiped for drill, with plants and only his Star thit Block Store and ubhishing House, the splentid store in Brown's Iron Building. LIST OF LISTTERS,

And the prespect before them will impart revision.

And the prespect before them will impart revision. and the prospect before them will impart renewed vigor to the system, and fill those susceptible to the finer sensibilities with emotions that will ever remain indelibly enstamped upon memory's page.

AMBROTYPE AND DAGUERREAN GALLERY. -Next week being court will necessarily bring many people to town, both on business and pleasure. Those seeking recreation, and having a few shiners to spend, will find the Ambrotype and Daguerrean Gallery of J. S. Barnhart a very appropriate, place for elizer such purposes. Many years experience ensbles the operator to execute Likenesses; such as can only be produced by years of patient study, and application to the business.

A SERIOUS ACCIDENT .-- We are informed

Broken limb was set by Dr. Potter, and the

Broken limb was set by Dr. Pottor, and the jouth is recovering as speedily as the nardure of the case will allow.

II. Bridge's Traveling Car!—The Skylight Traveling Oar of Henry Bridge, we dight Traveling Oar of Henry Bridge, we light Traveling Oar of Henry Bridge, we light Traveling Oar of Henry Bridge, we light Traveling Oar of Henry Bridge, we learn was unusually crowded during his sojourn in Boalsburg and Pine Grove. He has now removed to Stormstown, and persons in want of a good Ambrotype will find it to their advantage to give him a call. His reputation as a good artist, is too well established to render commendation from us necessary.

the cheapert but the most attractive and useful
Magazine for popular reading in the World, and
the cheapert but the most attractive has been sendere
full to indicated by the fact that it has attained a
greater circulation than any similar periodical
ever issued.

Special efforts will be made to render it still more
interesting and attractive during the coming year.
The new Volume will commence with the Pecenber number. No labor or expense will be quared
to render it in every way, and in all its department still more worthy of the unparalled favor with
which it has been received.

The Torus upon which Harper's Magazine is supplied are as follows for Cash
