" I know it-but it can't be helped .-When shall I tell the parson to be ready ?" As a general thing, a gentleman need never be refused. Every woman, except a heart-less coquette, finds the means of discouraging a man whom she does not intend to their own personal health, but the good of have, before the matter comes to a point of declaration.

CUBIOUS DEATH .- There appears an account, in the Paris papers of the death of a man in the most agonizing torments, from even so simple a thing as this ; Ho was scratching his car with a match, when, unfortunately it ignited and set fire to the hair sey, it is stated the bride received presents on the inside of the car, which blazed up .--these two great staple articles of agricultural of splendid sets of jewelry, a complete tea In the excitoment of the moment, he stuck service of heavy silver, a box containing sil- the burning sulphur against the side of the ver spoons, knives and forks, five dozen each; aural cavity. A part of the meltod matter several sets of exquisitely beautiful and very adhered and continued burning. He died in two days in appailing tortures, his pain ho

> An odd sort of gunius, having stepped into the mill, was looking with apparent astonishment at the movements of the machin ery, when the miller thinking to quis him, ask-

"Not's Lknow on." said he, " what is it?" "Why," replied the miller, " they say the
