THE GLOBE:

THE OFFICIAL PAPER OF CONGRESS

I PUBLISH (as my annual Prospectus of the DAILY GLOBE, and THE CONGRESSIONAL GLOBE AND APPENDIX to remind subscribers, and inform those who may desire to subscribe, that Congress will meet on the first Monday of next December, when I shall recommence publishing the above named papers They have been published so long, that most public men know their character and deem it needless to give a minute account of the kind of matter they will contain

The Daily Globe will contain a report of the debates in both branches of Congress as taken down by reporters expert at least, to any corps of short-hand writers in this, or in any other country A majority of them will, each, be able to report, *verbatim* ten thousand words an hour, while the average number of words spoken by fluent speakers rarely exceeds seven thousand five hundred words an hour. When the debates of a day do not make more than forty columns they shall appear in the Daily Globe of the next morning which will contain also the news of the day, together with such editorial articles as may be suggested by passing events

It is also my intention, from time to time, as occasion may require, to publish my reminiscences of the public men with whom I have been associated during the last twenty-eight years Anecdotes of General Jackson, and the leaders of the party which he conducted and the leading men of other parties will I believe, be interesting now when partisan bitterness has abated

In becoming the reporter of the debates of Congress I deemed it proper to say that the Globe would never be a partisan paper This pledge will not be forfeited by introducing as a contribution to history the political traits of character which distinguished the public men of my time Although I am and intend to remain, a thorough Democrat I will never obtrude my principles in a way to offend them obnoxious to any party But in regard to persons and events which go to make up history, I hope to make the Globe an impartial mirror and with that view I am resolved to speak independently of all parties

The Congressional Globe and Appendix will contain a report of all the Debates in Congress reviewed by the speakers, the Messages of the Presidents of the United States the Annual Reports of the heads of the Executive Departments the Laws passed during the session, and copious indexes to all They will be printed on a double royal sheet in book form royal quarto size, each number containing sixteen pages The whole will make (it is believed, between 3,800 and 3,900 pages as the long sessions for many years have ranged between those numbers, and the next session will be what is termed a "long one." This I believe is the cheapest work ever sold in any country, whether a reprint or printed from manuscript copy, taking for *data* the average number of words of the long session since the year 1843 The average number of pages is 3,876 and the average number of words of a long session is 9 200,772 As I have sold to subscribers the number of words for *six dollars* it follows that they have paid for *them from one to one and a half cents per hundred words* I have *furnished them* while I have paid my reporter $6 29 for every 2 567 words, of this work, *in manuscript* Has any other bookseller anywhere, ever sold a book in the first instance while it was new, at so low a rate? I believe not, and so strong is my belief that I hereby agree to give to any person who shall prove the contrary, a complete set of the debates running back to the year 1833 making forty three quarto volumes which sell for $5 a volume An act of Congress authorizes these papers to go by mail free of postage The next session will be without doubt an unusually interesting one, as it will be the first under a new Administration and several complex questions must be discussed in it, for example the currency Kansas revenue and other questions The Globe will be henceforone the only source from which full debates can be obtained

TERMS

For a copy of the Daily Globe one year	$10 00
For a copy of the Daily Globe six months	5 00
For a copy of the Daily Globe during the session,	5,00
For a copy of the Congressional Globe and Appendix and the laws passed during the session	6 00

Bank notes current in the section of the country where a subscriber resides will be received at par The whole or any part of a subscription may be remitted in postage stamps which is preferable to any currency except gold or silver

A paper will not be sent unless the money accompanies the order for it

I cannot afford to exchange with all the newspapers in it desire the Globe but I will send the Daily Globe during the session to all who shall publish this prospectus three times before the first Monday of next December Those who may publish could send the paper a marked with a pen to direct attention

WHAT IS IT FOR—THE WOOD'S HAIR RESTORATIVE ?—It is a question asked daily by hundreds We answer without hesitation or fear of contradiction, that it is the only article known which will do all it promises for the human hair *It will cause its growth—it will stop its falling—it will restore its natural color* It is not a Hair Dye but a speedy and efficacious Restorative
