B. S. SEELY AND J S BARNHART, SDITORS. BELLEFONTE, PENN'A.

THURSDAY, MARCH 18, 1858.

DEMOCRATIC STATE TICKET.

WILLIAM A. PORTER. CANAL COMMISSIONER, WESLEY FROST.

Kansas.

' Heretofore we have Shown, we think bejond all doubt, that the people of Kansas had a perfect, full, fair and free opportumty to control the election of Delegates to the Constitutional Convention, in such a way as to have made that Convention the exponent of popular will-and that it from any morights, and slumbered while the new State! fully mistaken. The sober, second the't was forming. "the victory must be to the lof the people will repudiate the non-voting was forming. "the victory must be to the policy distant the Jim Lane Topeka rebels, vigilant the active and the brave." In one policy distant the active and the brave. In one and stand firinly on their tabelent fitatform of our articles some time ago we laid down that those who do not vote authorize those too and enforcement of all Laws in all the well known and established principle who do vote to make the laws gindeed they virtually constitute those who vote their delegates for time being; and if wrongs have been committed at the polls, they are responsible, just as the principal is bound pect that Democrats entertained for Dougby and responsible for the acts of his agent. [Ins when he was right, they will rather We have also shown that the voters of the the whole Black Republican party has been delphia, was a misapprehension. We have also shown that the voters of the Territory of Kansas had no reason to expect suddenly obedient to the command of Right arbmission. On the other hand they had about face "No, true to their instinct the that a young colored woman is lecturing in every reason to believe that the Slavery Black Republicans are waging an unrightquestion only the great distincting question and nothing more, would be submitted cour, anti-pathotic, unbrotherly warfare upto them for the r approval or rejection, thus giving them an opportunity to act upon the capital and stratagems to create only approval or rejection. only question that agreated the people of of other questions, concerning which a unof other questions, concerning which a uniretrace their steps, to the old pathway and
versal indifference pervaded the public continuom that solid column of patriots mind. To all who felt a desire that the action. Under the auspices and regulation of the legally constituted Legislature of the Territory, measures were progressing for the peaceful and legal change of their form of Government, from a Territofial to a State. and it was the duty of every citizen to avail by the arrival at New York, on Saturday

ty to have a separate election day . Such a

THE ATLANTIC TELEGRAPH CABLE.—The nome will only give 15 cents. The safe-united States steam frigate Niagara, sailed guard offered to the note-holders in the profrom New York on Saturday morning for vision of the charter which made the stock-England, to resume the attempt to lay the holders individually hable to the extent of electric telegraph cable across the Atlantic. the stock held by them respectively, appears She is to take one-half the cable on board, and an English ship will take the other half. The two ships will then proceed to mid ocean, where they will unite two ends of the cable, and then one steaming for England and the other for America will occupy but half the time in laying the whole which would be required in the attempt to commence at the English coast and proceed con; tinuously to this

Don't like their Company. Many of the Damocrats who joined in the

ery of Anti Lecompton, begin to think they have got into bad company. On looking about to see who their associates are, they find foremost among the opponents of the Lecompton Constitution, the Kansas Topeka-166s, who have been ever since the organization of the Territory seting in opposition to the legally constituted government, and endeavoring to set up the authority of a resellious organization. Next are the Black Republicans all over the country, the same cating at Washington city. party that we have been fighting for three years past, at once mysteriously converted to popular sovereignty. Next they find Democrats who have been disappointed in their wild hant after office and determined was so obtuse as not to appreciate their eminent abilities and merits. Honest Democrats may well be ashamed of their compaify and ashamed of the fact that they are non willing to hearken to the counsels of then old enemies, and to be taught Temocracy by the vilifiers of General Jacks on and the Black Republicans of '56. The Repubheaus no doubt think they have at last played a trump card, and that " Bleeding Kansas 'is yet going to set them fairly or their feet for the campaign of 1860. But if we do not misjudge the windom and patriot 14m of the honest masses they will be woein defense of a just and 'squal administraparts of the country. How the malignes of Douglass could so easily become Douglas worshippers will for all time to come remain an insoluble mystery, and with all the rest trumpet tongued are proclaiming their well

W. Rumbarger, who by the way, is the conflict should be local, not hational; one of the best teachers in Centre county, and that great peril and danger are to be apprehended to the Umon, and the cause of free government, by the further delay of her mances were not as is too often the case at admission as a State.

Kansas is not acceptable, in some of its provisions, to the majority of the free State men of that Territory, their own course of obstinate conduct has produced the result; solved, not mechanically, but not flectually they have no cause to complain, and their Each and every scholar acquitted them-mouths should be forever closed

believe that the abolitionists in Kansas, and and teacher. In short the while exercise of out of it have a much greater desire to over-throw the Democratic party of the ration, than to amchierate the condition of the slave.

HABITS:—lake fires of snow that fi

try and integrity constitute him a representative to whom the interests of his constitu-

ic party have recured the services of age in

A letter from Captain Marcy at Loas dain ware remarked, that he would step out and take a drink. He left the bank, and uary 21, says that he was fifty-seven days in making the true from Fort Bridger. For two hundred miles the party encountered snow two feet deep. They made only three ty miles in ten days, and for eleven days lived on their starved mules. On the way and many were badly fee.

This wareaut is said much as possible, the heavy burden imposed on the people, by taxation—and we particularly recommend a revision of the system of banking, that may prevent in the future the troubles and difficulties that the people of the Neate have lately encountered.
